MEETING AT THE SUMMIT

Bus Company Seeks Permit to Furnish Orland With Service

By ANNE RODGER

Reasons for lack of transportation in Orland Park were revealed in some enlightening statistics submitted by James Betinis, president of the Suburban Transit System, James Sweeney, of Oak Lawn, and Orland Mayor W. R. Schuessler Jr. The two latter have been fighting for better transportation in the area for 25 years.

The men addressed the Orland Park Chamber of Commerce last Thursday at a meeting attended by about 75 interested citizens and arranged by Dr. Elmer W. Schuessler, chairman of the Orland Chamber of commerce transportation committee.

The Suburban Transit System recently operated a trial test of bus service from Orland Park to the Chicago Loop.

A petition for a hearing to resume bus service in the area has been filed by the company with the Illinois commerce commission.

If area residents wishing bus service are willing to pledge support by patronizing the bus lines and will appear when the hearing takes place, chances of a franchise being issued will be strengthened, it was stated.

Two Trains a Day

At present the only public transportation in Orland are two Wabash railroad trains, one in the morning and one in the evening.

Sweeney advised the group that the railroad dropped 15 daily trains in 1932, leaving two.

When the trains were discontinued, he revealed, the population of Orland Park was 300 and Oak Lawn 1500. Other communities which now could be served by the railroad did not exist at that time.

In 1947 he advised efforts to

(Continued to Page 4)

Frankfort Man Suffers Crushed Foot at Elevator

Arthur Carlson, 66, W. Bowen st., Frankfort, an employee of the Frankfort Grain Co., is in Silver Cross hospital with his left foot and ankle crushed as a result of an accident at the elevator last Saturday.

A truckload of ear corn was being emptied. The front end of the truck had been elevated to let the corn down into the cradle of the elevator. Carlson was at the rear of the truck when the front end apparently slipped off the hoist and the vehicle made a sudden move backward.

Carlson's left foot was pinned between the truck and the cradle. Others present rushed to his rescue. The truck was moved and Carlson freed. He was taken to the Hedges Clinic and after first aid was taken to the hospital at Joliet.

X-rays show the bones in the ankle and foot were shattered. Carlson is a bachelor and lives alone.

Shoe Repair Shop To Open at Mokena

A shoe repair shop will be opened at 50 East Front st., Mokena, Friday, March 14.

The owner, Al Tepper, who has been living in Mokena since December, formerly operated a shoe repair shop in Chicago.

The business, Al's Shoe Repair shop, is a welcome addition to local business houses.

Warren G. Harding was the first president to ride to his inaugural in an automobile.

Buglars Break Into Mokena Supermarket

Frankfort Bank Cashier Resigns; to Take Banking Post In Alaska

Al Hochberger, cashier-manager of the Frankfort State bank for the past six years, has tendered his resignation to the board of directors, effective April 1. Mr. Hochberger explained that his move was prompted by medical advice that he seek a different climate and to that end has accepted a post with the Bank of Kodiak at Kodiak, Alaska, for the coming year. He will continue to maintain his residence at Frankfort.

The announcement came as a surprise to the directors and Mr. Hochberger's many friends and the board accepted his resignation with deep regret. He will be succeeded by Howard Remien, of Harlan, Ia., formerly cashier of the Harlan National bank.

Mr. Hochberger came to the Frankfort State bank in February, 1952, from Tama, Ia. Since he has been in charge the bank has grown in both its physical facilities and its service to the community. The bank installed one of the first drive in windows in Will county and has purchased the adjacent property for future expansion. Many innovations for improvement of the banking facilities and customer service were installed during Mr. Hochberger's regime.

Mr. Hochberger's resignation reads in part as follows:

"My decision was preceded by considerable hesitation and reluctance because I have been most happy and satisfied with my position in the bank. The cooperation of the board of directors has at all times exceeded customary expectations. My association with the board has been most pleasant and agreeable in every way. I have enjoyed their confidence and the responsibility of my position during the past six years. Through our mutual efforts we have been able to make a series of improvements in the bank and in its service to the community, which I am sure was a large contributing factor for the sizeable increase in the business of the bank during this period.

"It is with deep regret and sincere sentiment that I present this resignation, which is being done upon medical advice that a change of location and occupation may be a beneficial factor in the improvement of my health."

In accepting this resignation A. H. Krusemark, on behalf of the board, said:

"Your position with us during the past six years as Cashier-Manager has been a most pleasant and successful association. During this time your efforts have always been for the best interests of the bank, and your cooperation with the Board has always been wholehearted. The assets of the bank have increased from \$1,423,000 in 1951 to \$2,525,000 as of December 31, 1957. The board wishes to express its appreciation for your work and efforts and to wish

New Lenox Board Studies Program of Improvements

Before the New Lenox village board drafts its annual appropriation ordinance Mayor Lloyd Berlin hopes that the members will have agreed upon a long range program covering various suggested improvements for the community.

There is to be a special meeting next Wednesday night at which some of these questions will be discussed.

At the regular meeting last week some of the items suggested were a sidewalk program tiles to drain off surface water on Pine street and North Cedar, a swimming pool, street signs, improved street lighting system garbage collection; mosquito abatement, a village hall and a garage.

The village expects to have some extra money each year—if the half cent sales tax remains in force—so it will be able to make some improvements.

The sidewalk program, however, it was pointed out will have to be financed thru special assessment since municipalities don't build walks. Municipalities, however, always have to pay a part of the cost of a project financed thru special assessment.

The New Lenox Garden club may keep the city hall lot trim and beautiful this season. Trustee Ronald Vondrasek said. The Methodist church is reported to be seeking to lease a part of the library lot for parking.

New Lenox Lions to Give Dance Saturday

The New Lenox Lions club will hold its annual St. Patrick's day dance a bit ahead of time this year. The day, of course, is Monday now, a workin' day, so the dance is advanced to Saturday, a grand night indeed for a frolic. Tickets for the affair will be on sale at the door and the price includes supper. The high light of the evening will be the award of a Cadillac.

you continued success and prosperity."

Mr. Remien the new cashier of the bank, will begin his duties before Mr. Hochberger leaves on approximately March 20.

The Will county sheriff's office is waiting for words from the national identification bureau at Washington on fingerprints taken at The Shopping Bag, a food market on Wolf rd., Mokena, that was burglarized last Thursday morning of \$2,226.

The thief or thieves entered the office, which is reached by a flight of steps from the ground floor, thru an attic space at the rear of the building.

Ralph E. Thoresen, proprietor, told Deputy Charles Timm that only money was missing. Apparently the burglar or burglars were not interested in merchandise. Thoresen had a deposit of \$1,810 made up for his bank but it was closed Wednesday so he left it in his desk. The six cash boxes from the cash registers, each containing \$136 were in a special drawer and there was another \$200 in currency in another drawer.

The bank deposit included \$600 in checks which were abandoned. The checks were found between the rafters just inside the door leading into the attic from the outside.

Investigators reason that the person or persons who broke in had made a close study of the situation. The theft occurred sometime late Wednesday night or early Thursday morning. It was discovered when the store opened for business last Thursday.

There was only \$100 of insurance in force, as there was no safe in the store. Thoresen used to have a safe but it was

(Continued to Page 13)

Mokena Druggist Is Holding Special Grand Opening

William Geisler of Joliet, who purchased the former Boleman drug store in Mokena, has completed the remodeling of the store and is inviting everyone to come and visit them.

For that purpose Mr. and Mrs. Geisler are holding a special grand opening event this Thursday, Friday and Saturday, March 13, 14 and 15. There will be many gifts for children, and many prizes for adults, juniors and youths.

The judges who will decide the awarding Saturday evening are: Mayor James Marti, John Scarth, Robert Niemann, Harold Cooper, Charles Hostert, Robert Welsch and Charles Swanberg.

Patrol Boys at Orland Park See Shrine Circus

The patrol boys at the Orland Park elementary school enjoyed attending the Shrine circus again this year accompanied by teacher, Raymond Livingston.

This is an annual treat given to the boys for the services performed during the school year.

Giraffe's eyes are so constructed that they can see to the rear without turning their heads.

Manufacturers Urge \$3.2 Billion Reduction In Federal Spending

The National Association of Manufacturers has called for a reduction of \$3.2 billion in Federal spending for fiscal 1959.

The association's board of directors holds that potential savings could reach \$4.4 billion, and that realization of these savings is "dependent on effective action by the Congress and the Executive".

"The changes in the direction and character of spending for national defense in face of new threats to the national security," the NAM said "make it even more urgent than ever that substantial reductions be made in non-military spending."

This must be done, the NAM dicetors agreed, in order to prevent an increase of the total budget to a level which would precipitate renewed inflation and jeopardize continued economic growth.

Cut Suggested

The \$3.2 billion savings definitely attainable in 1959, under the NAM proposals, would be achieved by cutting the mutual security program \$1.4 billion and by trimming \$1.6 billion from civilian programs. The NAM suggested a cut of only \$164 million in defense and related matters. This would be achieved through elimination of duplicated and overlapping activities.

The NAM went on record as "earnestly supporting the President's request for authority to transfer funds among appropriations available for Department of Defense and related re-search appropriations."

The association also urged enactment of the rate increase on first-class mail recommended in the President's budget message in order to prevent a deficit of \$701 million in the Post Office Department.

Reduction Essential

In their discussion of the President's 1959 budget, the NAM directors found "commendable evidence of a desire to keep the budget balanced, concern for future budget reduction, and intention to transfer certain services to states and localities."

However, the board warned that a substantial reduction of Federal spending—made without danger to our defense position—is essential in order to revive the economy and facilitate the tax rate reform also needed to revive the economy.

Scout News

CUB LEADERS POW-WOW

March 22 has been set as the date for the Pokagon Trails Council Cub Scout Leaders Pow Wow to be held at the Hammond Civic Center. Robert F. Duncan of Schererville, Ind. is general chairman for the affair which will feature training in handicraft, ceremonies, and games for adult leaders and a den chief conference for Boy Scouts and Explorers.

The Pow-wow program is scheduled to begin at 10:30 a. m. with an address by Robert Haverkamp, deputy regional executive for Regioi 7, Boy Scouts of America, and will conclude at 4:00 pm.

Invitations have been extended to all Cub Scout leaders in the council, including cubmasters, assistant cubmasters, Den mothers, pack committeemen, and interested parents. The pow-wow is a fun filled, cooperative program with all of the Cub packs of the Council presenting ideas and techniques in handicraft, ceremonies and games. Leaders attending will receive credit toward their Scouter's Key, Scouter's Award, or Den Mother's Award.

Serving with Duncan on the

committee are George Hoffman of Hammond, physical arrangements; Charles Danielson of Park Forest, exhibits; Erwin Raabe of Park Forest, midway; Charles Shook of Munster, registration; A. J. Marchello of Midlothian, attendance; Mrs. Don Maya of Hammond, luncheon; Mrs. Ted Swets of Hammond, handicraft; Marshall Joyce of Lansing, ceremonies; Ed. Wilkens of Hazelcrest, games; and Harold Higginbotham of Riverdale, Den Chief Conference.

All pack leaders have been asked to make reservations at the council office for the pow-wow by Wednesday, March 12.

James Marshall Joins Staff of Orland Bank

The board of directors of the Orland State Bank announce the addition to the bank's staff of James E. Marshall as head bookkeeper.

Marshall, who graduated magna cum laude from Ripon college as a major in mathematics has been with the Allen R. Wrisley Co., Chicago.

Serving twice with the U. S. army, both in Europe and the South Pacific, he was awarded the bronze star medal, army commendation ribbon and purple heart.

Interested in church and community affairs, Jim and Joann Marshall and two children, Larry and Cathy, live in Tinley Park. They are members of the Tinley Methodist church.

MOKENA

Dick Gillette, of 49. Derry ave., will have the lead in an original play, "The Garden Forsaken", being presented by Theta Alpha Phi, the dramatic fraternity of Grove City college, Grove City, Pa. Dick played a number of roles in dramatic plays while a student at Joliet High school.

Because the Mokena grade school operetta is to be held the same evening, Cub Scout Pack 40 has advanced its meeting a week. Instead of meeting March 27 the pack will hold its meeting March 20.

The Auxiliary to the VFW at Mokena will sponsor their regular card party March 22 in the VFW hall on Wolf road. All games will start at 8 p.m.

Group 1 of the WSCS of the Methodist church will sponsor a breakfast Thursday morning, March 20 at 9 o'clock in the social rooms of the church. The public is cordially invited to attend.

The Mokena Teen club will sponsor a style show Saturday, March 29 in the Mokena Public school gym, starting at 8 p.m. Fashions to be shown will range from tot's clothing to women's. Models will be selected from residents of Mokena.

Refreshments will be served.

GREEN GARDEN

Mrs. Katharine Heisner
Frankfort 5187

The Busy Homemakers Home Bureau met in the home of Mrs. Thomas Gunhouse March 5, with 15 members and one guest present. Mrs. Elmer Roemer presided. The major lesson was on Today's Fabrics, and was given by Miss Mary Cheze, assistant

home advisor. Refreshments were served. The next meeting will be held April 2 in the home of Mrs. Vincent Shortinger.

An Evening of Fun will be featured at the PTA meeting in the Green Garden town hall next Friday evening, March 21, at 8 pm. A group of the school survey committee members will have a round table discussion. Everyone is welcome to attend.

The PTA of the local school will sponsor a roller skating party at the Monee rink March 24. Anyone wishing to secure tickets may do so by contacting the school bus drivers or calling William C. Bettenhausen, Frankfort 2251 or Mr. C. B. Shaw, Logan 3-2407.

The Methodist church will hold their 4th Quarterly Conference next Sunday at 2 pm.

The Always Faithful class of the Methodist church will sponsor a rummage sale next Saturday at Kankakee.

Mr. and Mrs. Norman Lorenzen entertained Mr. and Mrs. Harold Ebert last Saturday evening in honor of their 15th wedding anniversary. They dined at a Bit of Sweden at Aurora.

Mr. and Mrs. Harold Ullrich and family and Mr. and Mrs. Raymond Hoffman and son Don ald, Mrs. A. Hoffman and Mrs. Louise Piper and Mr. and Mrs. Gilbert Schmuhl of Frankfort were dinner guests of Mr. and Mrs. Adolph Ullrich at Frankfort Sunday noon.

Maud Traub 72, Palos Park, Dies; Funeral Today

Funeral services for Mrs. Sidney Traub, 72, of 87th ave., Palos Park, are being held at 2 p.m. today in the Palos Presbyterian church, with the Rev. Paul Lemdell officiating. Interment will be in Palos Oak Hills cemetery.

Mrs. Traub became ill suddenly in her home Monday and died the same day in St. Francis hospital, Blue Island. Death was attributed to a stroke.

The former Maud Mahaffay, she was a member of a pioneer family, well known in the area.

She was born May 18, 1885 in Palos township and she was married May 20, 1905 in Elgin.

Survivors are her husband, Sidney, daughter Mrs. Marjorie Strand, sister Mrs. Jennie Clark of Allegan, Mich., brother J. W. Mahaffey of Palos Heights; two grandchildren and three great grandchildren. A daughter Marian preceded her in death.

"Service is Our Best Product"

Water Softeners Work Better

... when you regenerate with Sterling Brine Buttons!

These handy "buttons" of highest-quality salt are made for either single- or double-tank softeners. They're the right size, shape and density to dissolve at a uniform rate. And, unlike loose salt, they prevent caking in your softener. Thus, Sterling Brine Buttons keep your softener at peak efficiency—longer!

Less Work. With Sterling Brine Buttons, you regenerate less frequently. And when you do regenerate, you'll find these "buttons" easy to use. Measure them right out of the bag into your tank. Sterling Brine Buttons dissolve completely, so there's never any residue left to flush out after salting.

Economical. Because fewer regenerations are needed, a bag of Sterling Brine Buttons goes a long way. And, best of all, these pure concentrated "buttons" of salt cost so little!

There are other types of Sterling Water-Softener Salt available. Ask your dealer or soft-water service man to recommend the type that's best for your softener.

Legion Auxiliary Bakes A Cake

The American Legion is 39 years old and as a birthday memento the Women's Auxiliary Unit 615 at Tinley will send a cake to the Tinley Park post on March 18.

On March 19, Mrs. Harry Johnson, auxiliary president, and Mrs. Lewis Gager will represent the Tinley Auxiliary at the 30th annual patriotic conference to be held in the Mural Room of the Morrison hotel.

The luncheon will be served in the Terrace Room.

Featured speaker at the morning session will be John T. Gleason, Jr., national commander of the American Legion. He will talk on the need for patriotism.

Mrs. Melville Muckelstone, a past national president of the Auxiliary, is to speak on "Government in Emergency." The Chicago chapter of the American Red Cross is to give a demonstration of new techniques in first aid.

At the Tinley Auxiliary meeting the Americanism chairman, Marie Siemsen, read two articles dealing with Washington and Lincoln. Mrs. Gager, child welfare chairman, expressed the unit's appreciation for the donations of clothing and shoes for distribution among mountain families in Tennessee. She was able to send 250 pounds of clothing to "Save the Children Federation." The auxiliary also followed its monthly custom of sending a small gift to Tom Green, a youngster sponsored by the unit at the home maintained at Normal, Ill. for orphans of servicemen.

Hostesses for the social hour at the Feb. 28 meeting were Doris Johnson, Lottie Rasmussen and Gertrude Johnson. The next meeting of the Auxiliary will be March 14.

Hobby Show to Be Held March 21 By Home Bureau

A hobby show, open to the public, will be featured by the Palos-Lemont Home Bureau at the next meeting on Friday, March 21, starting at 10 a.m. in the Community Center 127th and Southwest Highway, Palos Park. Those who come early and plan to attend the afternoon session, should bring a sandwich—coffee and dessert will be served by members of the board. At 1 p.m. "Your Hair, Your Hat, Your Neckline" will be presented by Mrs. Claradehl Upham, home adviser.

Mrs. Clifford Aulwurm, chairman, announces that project co-chairman will be Mrs. Ralph Chuk, of Palos Park. Mrs. Richard Barry, Palos Park, is librarian; and Mrs. Harold Hoover, Palos Park, social chairman.

All interested community residents are cordially invited to attend this meeting.

William Henry Harrison, died at the end of his first month as president, serving the shortest term on record.

At a social function, the U.S. President enters the room ahead of his wife.

The Star Spangled Banner was made the national anthem by an act of congress on March 3, 1931.

TWIN SISTERS, Janet and Judith Feil, 210 Hickory st., New Lenox, had some trouble getting their first nurse's caps adjusted until Miss Elaine Crowder, Joliet, president of the senior class at Silver Cross School of Nursing at left, came along to give an assist. The pleased face reflected in the mirror is Janet's. The sisters graduated from Lincoln-Way Community high school and received their freshman caps at ceremonies at the Universalist church, Joliet, on Feb. 21. As freshmen they will continue to attend Joliet Junior college for afternoon classes in the sciences, while attending class and getting first nursing experience on the floors of Silver Cross hospital.

Three hundred and thirteen Sardines are packed closely people in Will county recently in a can because the fish are received first aid certificates incheaper than the olive oil in one month, a record number. which they are packed.

Love That Pie

A stunning dessert, just made for parties, Grape Chiffon Pie is a delightful change in dessert fare. The light, fluffy filling is effortlessly achieved with a package of grape-flavored gelatin. A graham cracker crumb crust gives a delicious crunchiness. For a final touch of elegance, garnish with grapes in a cluster arrangement.

Grape Chiffon Pie

3 Egg yolks, slightly beaten	3 Egg whites
1 Cup water	Dash salt
1/2 Cup sugar	4 Tablespoons sugar
1 Package grape-flavored gelatin	1 Baked 9-inch graham cracker crumb crust
1/2 Cup pineapple juice	
3 Tablespoons lemon juice	

Combine egg yolks, water, and 1/2 cup sugar in saucepan. Cook over low heat, stirring constantly, until mixture coats a silver spoon, then cook 1 minute more. If mixture curdles, beat with egg beater. Remove from heat. Add gelatin and stir until dissolved. Add pineapple juice and lemon juice. Chill until slightly thickened. Beat egg whites and salt until foamy throughout. Add sugar, 2 tablespoons at a time, beating after each addition until well blended. Then continue beating until mixture will stand in peaks. Beat gelatin mixture slightly. Fold into meringue and again beat mixture very slightly. Chill a few minutes until mixture begins to hold its shape. Spoon into cold crust. Chill until firm.

Just before serving, garnish with grapes, if desired.

Name Winners In Woman's Club Writing Contest

Mrs. Reede B. Foster, 5738 W. 63rd st., Chicago, Third District literature chairman, announces the winners in the Third District creative writing contests.

Short story: First prize, Mrs. George W. Veitch, Homewood Woman's club; second prize Mrs. J. Paul Cole, Park Forest Woman's club; third prize, Mrs. Henry Monaghan, Markham Woman's club; honorable mention, Mrs. Adele Sandberg, Homewood Woman's club.

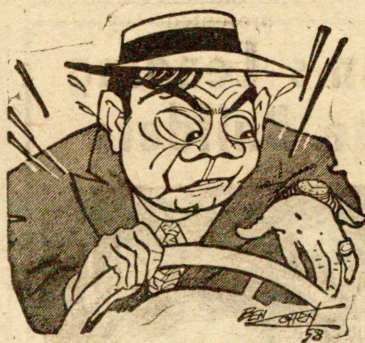

Serious poetry: First prize, Mrs. Henry Monaghan, Markham Woman's club; second prize, Mrs. Sadie L. Witte, Homewood Woman's club; third prize, Mrs. S. E. Adair, Homewood club; honorable mention, Mrs. Henry Monaghan, Markham Woman's club.

Light verse: First prize, Beth Brown Tierney, Park Forest Woman's Club; second prize, Mrs. Clayton P. Mill, Beverly Hills Woman's club; third prize, Mrs. Henry Monaghan, Markham Woman's club; honorable mention, Beth Brown Tierney, Park Forest Woman's club.

Awards will be presented at the Third District Annual meeting, Thursday, April 10 at Ridge Park Fieldhouse, 96th and Longwood Dr., Chicago.

Mrs. Foster will continue as literature chairman for another year and urges more interest in these contests. Anyone desiring more information regarding next year's contest, may contact her.

BUS CO.—

(Continued from Page 1)

have service restored, included forming a group of interested commuters who in their 3-year campaign accomplished very little even though the case was taken to the Illinois supreme court.

"The squeaky wheel gets the oil" philosophized Sweeney, and results can only be obtained by group action, adequate publicity and most of all he advised the interested listeners they must stay with it and not give up.

Political influence is necessary Sweeney believes, relating how the group had previously been put off when fighting the transportation problem, by the ICC. Had they had political influence, this would not have happened he believes.

Pressure should be brought to bear on local state legislators to have any local problems solved, he advised.

Takes Over Bankrupt Line

Betinas, who took over the Suburban Bus lines after the former owners went bankrupt, has operated the lines for 23 years.

At that time, he advised, Oak Lawn had a population of 1,600—it is now 23,000; Evergreen Park had 3,310, now has 20,000; Worth had 300, now 5,000; and Orland Park now has about 2,000 population.

He cited the figures to show how transportation aids in the growth of a community.

Years ago Betinas served Orland Park, but explained the bus service had to be discontinued because it was not making a profit but he believes it will now thru sheer growth of population.

He pointed out that the increasing number of private autos and the use of car pools by workers has dealt public transportation a severe blow.

While the costs of the bus lines increases, the revenue goes down, Betinas said.

The recent trial run from Orland Park to the Chicago Loop should not have provided free service, Betinas contends, as this was not a fair criterion as to how many regular passengers would use the buses if they were in continual service, but since the company had no franchise it couldn't charge. It costs the bus lines 56c per mile to operate this service, he advised.

Cooperating with the bus lines in trying to obtain bus service is Mayor Schussler, who requested those interested to be present at the ICC hearing.

As a matter of public interest, the Orland Park Chamber of Commerce which recently organized in conjunction with other civic organizations and with citizen support is working towards improving transportation for the community.

President of the organization is Roy Benson. He advised at the meeting that steps are being taken to attract light industry to the area and five sites for such use are being investigated.

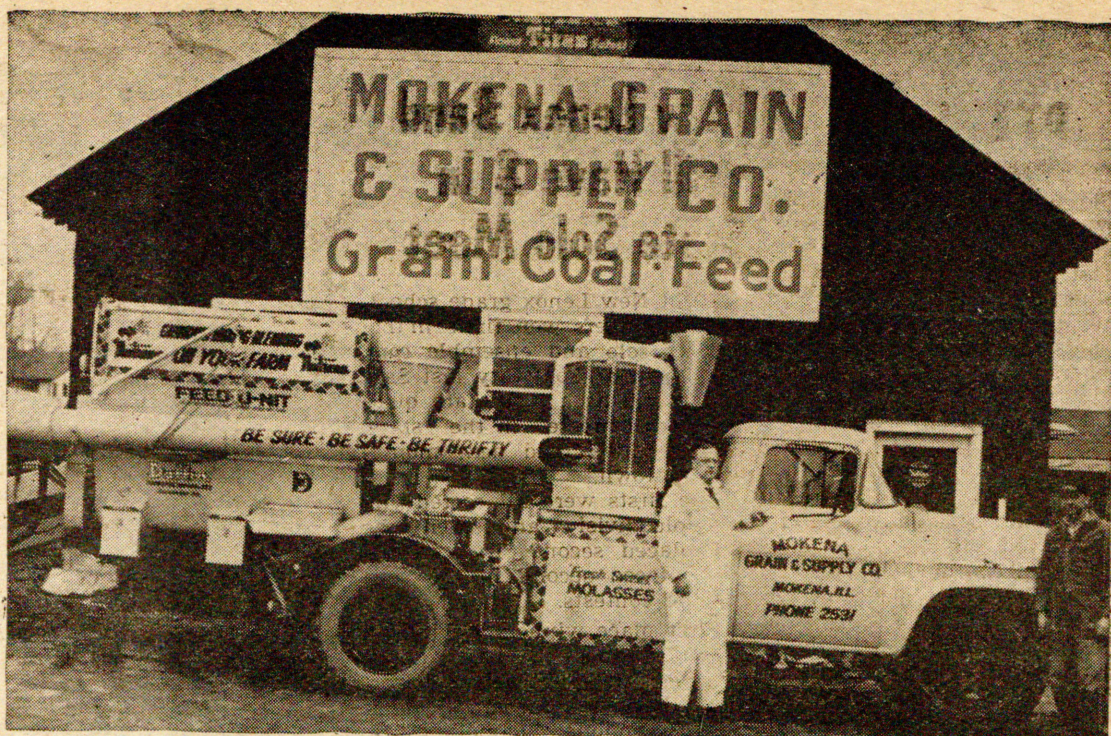

Step-Up Day Set for March 24 at Lincoln-Way

Step Up Day activities will get underway at Lincoln-Way high school, Monday, March 24 at 8:20 a.m. The students will assemble in Lincoln-Way's new auditorium for a brief welcoming program which will include short talks by the Student Council Representatives on the Step-Up Day Committee, a welcome by A. Hunter Chapman, Lincoln-Way's principal, and a review of the program for the day by Earl Dieken, curriculum director. Lincoln-Way's band under the direction of Robert Taylor, will introduce the 8th graders to the Lincoln-Way Loyalty.

After the program in the auditorium the students will be taken to homerooms for an orientation and testing program. There will also be a question and answer session about the required and elective subjects available to freshmen. The last item of the day will be a tour of the building to acquaint the students with the various departments in the school.

Step Up day is earlier this year than in previous years, but it is felt that this additional time will provide more opportunity to assist the students in planning their high school programs. There will also be several evening meetings scheduled later in the spring for parent conferences.

The school buses will follow their regular schedule on this day, and will make their usual stops.

MILLS AND MIXES FEED AT FARM—Heretofore feed mills have been like Mohammed's mountain. You remember how that goes—since the mountain wouldn't come to Mohammed the Prophet went to it. In the past one either used a hammermill to grind up grain at the farm or carried it to a mill in town. Now Robert Niemann (right) who operates the Mokena Grain company, has just purchased a machine to take the mill to the farms of the

area. This piece of machinery grinds all grains and roughages and then mixes and blends them with concentrates—including molasses—to produce any desired formula. The man standing by the door of the cab is Ralph Bloom, of Orland Park, who will operate the mill. Bloom and Niemann have been attending a school conducted by the makers of the apparatus at Lancaster, Pa. (Marvin Smith photo)

Orland Park Pupils Will See Movie As Teachers Work

An amusing change from school routine will be enjoyed by children of the Orland Park grade school on Monday, March 17, when they may come to the school and view the hilarious movie featuring the four Marx brothers in "A Night at the Opera". School will be closed on that day as faculty members will be attending teachers institute at Carl Sandburg high

school.

The movie is being sponsored by the Parent Teacher association, the proceeds to be added to the treasury, which is used for vital school needs.

There will be two showings, the first at 10 a.m. and the second at 1:30 p.m. The movie will run 90 minutes and will be followed by a cartoon. There will be an admission charge.

At the institute Cook County Superintendent of Schools Noble Puffer is to speak at the morning session. Keith Clark will speak in the afternoon on Illinois folklore.

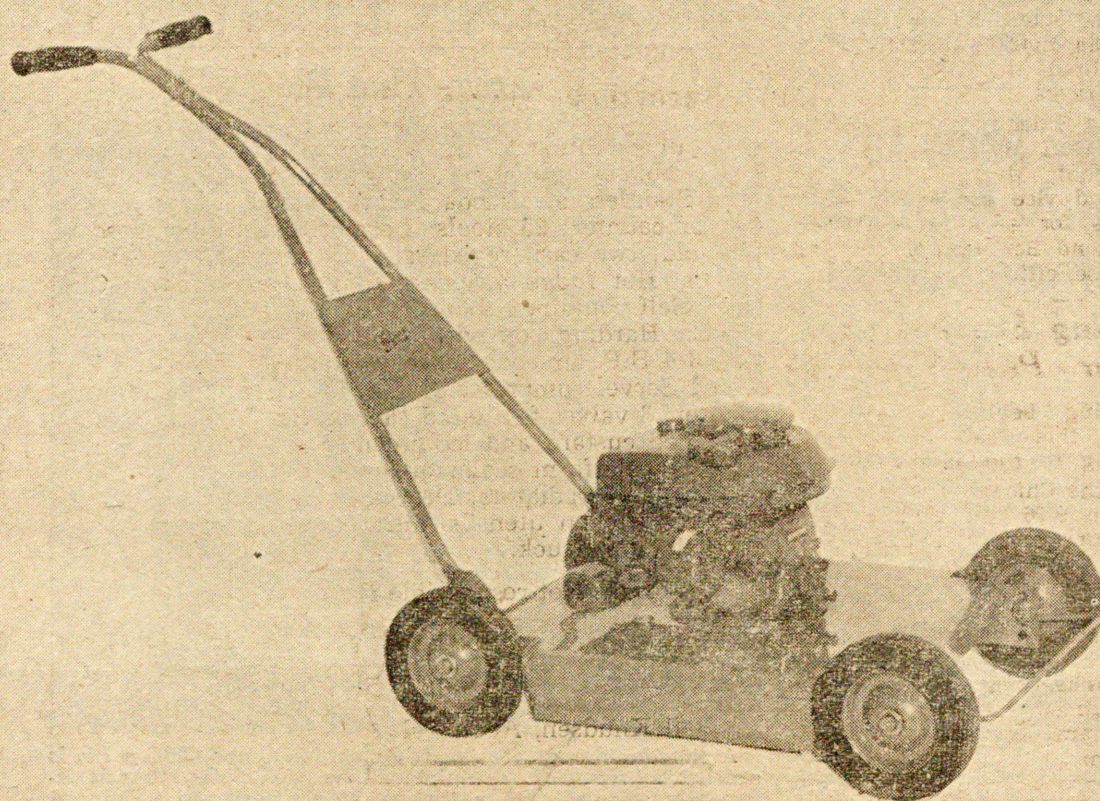

WELL BABY CLINIC

Tomorrow, March 14, the well-baby clinic will be conducted at the Municipal Building, 6823, 173rd pl., between the hours of 1 and 3 p.m. Please note change in time. It is expected that the morning hours will again be in effect for the April clinic.

Marine pilots landed on Guam March 17, 1921, marking the first time Corps aviation was deployed outside the continental limits of the U. S.

PTA News

MAUE UNIT

The annual craft and hobby show sponsored by the Maue school PTA on Wednesday night of last week drew many visitors. Blue, red and white ribbons were presented to the three winners in each category by the teachers from the rooms attended by the pupils.

The wards were as follows: Mrs. Carol Batozech's room: Crafts,

Blue ribbon to Larry White for a scrap-book about airplanes; red ribbon to Donald Kohl for plane models of wood; white ribbon to Linda Cole for her sewing kit. Collections, blue ribbon, Melissa Cope, dolls; red ribbon, Susan Strassenberg, dolls and charms; white ribbon, Mark Cope, coins. The silver cup for the room was awarded for the chemistry set shown by James Wessley.

Mrs. Winifred Meinert's room: Crafts,

Blue ribbon, John Stellwagen, transportation models; red ribbon, Dorothy Moliterm photo project; white ribbon, Barbara Strassenberg, pipe cleaner figures. Collections, blue ribbon, Carol Tursay, feathers; red ribbon, Pamela Cripps, shells; white ribbon, Terry Donavan, coins. The silver cup for the room was awarded to Ronald Sons for his transportation models. Joan Stellwagen was awarded the gold cup for her handmade, felt dolls.

Following the awards there was a program in which Edward Triner showed slides and gave a talk on Illinois Wildlife. Refreshments were served.

At the business meeting Mrs. Raymond Knieriem, unit president, gave a report on the Southwest Area PTA Council held at Tinley Park Feb. 25. Mrs. Chester Williams and Mrs. Norman Strassenberg also attended.

Announcement was made that the state PTA convention would be held at Springfield April 16, 17 and 18.

In observance of Founders' Day tribute was paid to past presidents of the Maue unit, Mrs. Evelyn Lomas, Mrs. Williams, Mrs. Pearl Henning and Mrs. Strassenberg.

Mrs. John Cruise, reporting for the nominating committee, submitted the following slate for officers.

Mrs. Knieriem, for president; Mrs. Paul White, for 1st vice president; Mrs. John Cole, Jr., for 2nd vice president; Mrs. J. Cruise for secretary and Mrs. Raymond Bernard for treasurer. These officers were elected.

Spring Early This Year - Pops March 20

Spring begins earlier than usual this year—at least according to the astronomers.

In the Chicago area the exact time is 9:06 p.m. central standard time on March 20. At that time the sun in its apparent annual motion among the fixed stars crosses the celestial equator moving northward.

Thanksgiving day has been proclaimed every year since Abraham Lincoln began the custom.

New Lenox Band Will Have 8 In State Solo Meet

Eight New Lenox grade school band members won firsts in the district solo and ensemble contests held at Coal City last Saturday and as a result are qualified to compete in the state contest to be held next month at Pottstown.

The firsts were all scored in the solo division and seven others placed second. Two groups also placed second in the ensemble contests.

First place winners are:

Jon Anderson, bass horn; Charles Bell, cornet; Sharon Sims, baritone; Barbara Beadles alto saxophone; Pamela Clark and Karen Bruggeman, flutes; Robert Fitzer and Mary Ann Sampson, clarinets.

Second place winners in the solo contest were:

Kenneth Carlson, Dennis Pfeifer and Betty Peterson, clarinets; Ronald Kokal and Gary Baugh, saxophones; John Pester, drum and Donna Hussey, cornet.

In the ensemble contest a clarinet trio made up of Bob Fitzer, Dennis Pfeifer and Mary Ann Sampson placed second as did a clarinet quartet comprised of Gayle Huss, Connie Corp, Betty Peterson and Kenneth Carlson.

The entire band will compete in the district contest to be held at Laraway school March 22. The New Lenox band is directed by Kenneth Kenny. The Band

"Men who win their wives by soft soap often end up washing the dishes."

Boosters group will meet Tuesday, March 18, at Haven school at 8 o'clock.

No. Ill. Gas Has Good Year

One of Northern Illinois Gas Company's principal problems is the need of additional gas supply.

Residential growth in the area covered by the company has resulted in a 6.2 per cent gain in customers last year.

The company's gas revenues in 1957 increased 5.7 per cent, or \$84,410,000 last year compared to about \$80,000,000 in 1956, according to its annual report.

The report and figures were released by the company president, Marvin Chandler, at a stockholders meeting on March 6.

As part of 1958's construction, Northern Illinois Gas will complete new operating and commercial headquarters in the Joliet area later this Spring and plans to start construction of a new headquarters building in Crystal Lake and a stores department building at Bellwood.

Letters To The Editor

TINLEY SEWERS

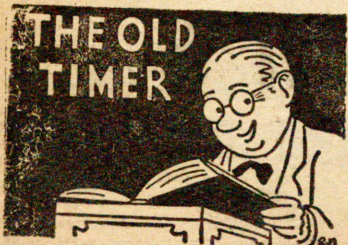

To the Editor:

Concerning the state that the present sewer program is in, I for one, and I not alone, will vote against it regardless of how badly I would like to see a sewerage system. Why? No reasonable or detailed explanation was given for dropping The Pace Engineers to the people of Tinley Park. I wonder what happened behind the "curtains". An outfit like Pace who are, I understand, regarded as tops in the country and have a staff capable of doing the job being dropped for the present set up with the financial deal sounds very questionable. What happened to all the preliminary work that Pace already done in this line, was there a charge for it and will we have to pay this all over again??? The cost of this sewer program sounds like it will be a costly affair to us with the almost unheard of type of contract they now have, with the present firms. Yet our Power House at the Village Hall continues on with the present plans. I wonder what would happen if this were put to a vote right now as to the firms that are under contract now???

I understand that the village fathers are looking for a seven man committee to educate the people, rather to force this present program down our throat. As the last letter To the Editor in the Feb. 27 issue stated, how can they answer questions when the village officials can't answer them. I doubt very much if they could come to a rough estimate, with the set up we now have I'd suggest that the board educate themselves in this matter and consult the Sanitary District who in all probabilities has had plenty of experience in this matter and could advise them without any cost and a big savings to us taxpayers.

I sure would like to see this newspaper flooded with letters to the editor concerning this matter also talk to your village board officials. Again I say as badly as we need sewers I can't vote "Yes" on anything like this.

Also Confused.

"The dictionary is the only place that 'Success' comes before 'Work'."

USURPATION OF CONSTITUTIONAL RIGHTS

The action taken by the promoters of County Club Hills, a housing development on the outskirts of Tinley Park, and a superior court judge in Chicago to ban religious services there is to be deplored.

Churches are important in the life of any community. Records show that communities without churches have a brief present and no future.

The founding fathers of our government took cognizance of the vital role religion has in the lives of men by setting up a provision in the Constitution interference with the free exercise of such.

Since then the Congress and the legislatures of the various states have passed numerous laws contributing to the well-being of churches and the promotion of religious services.

We touch on these things to show that the matter of safeguarding the rights of individuals to worship as and where they please is a matter of public policy and our lawmakers and our courts have a deep concern in matters pertaining to public policy.

Therefore, it seems strange to us that a superior court judge sitting in the city of Chicago should hand down a bang-bang decision enjoining the Christian church of Country Club Hills from holding services in a house purchased by the church for a parsonage.

To get a better understanding of the situation we review the facts as known to us.

The Church Federation of Greater Chicago which is made up of all the Protestant churches—except two—of that area have reached an agreement on a building program to meet the needs of the steadily growing suburbs. Instead of all rushing in to erect churches in new developments a study is made and denominations are assigned to the task by the Federation.

At Country Club Hills the Federation Designated the Christian church (Disciples of Christ) to meet the current spiritual needs of the Protestant residents. The church was to make a survey and if enough persons were interested in building a church money would be provided to acquire the site.

On the map of the Country Club Hills development are four plots, of approximately two acres each, designated as combination sites for church and park facilities. These are rather small plots for the purposes outlined but a spokesman for the Christian church said they had been unable to get an audience with J. E. Merriam, promoter of the subdivision, to discuss these or any other sites.

The church, the spokesman said, has not asked Merriam for donations of land or money. The church, he added, was and is willing to purchase a site but will not talk with them.

They sent the subdivider a petition, signed by 47 residents, asking him an opportunity for a committee to meet him and discuss the purchase of a church site, the spokesman stated, but Merriam is alleged to have refused to see them on the grounds that not enough people were interested. Since then some two hundred more signatures have been obtained to add to the 47 but without better success.

The Christian church has been holding adult services for some time now, first at the school and now at the fire house. The school served the entire development as its only community building for months but the board finally ruled against its use other than for school affairs.

But the question of Sunday school services still plagued. On Feb. 14 the church purchased a home for \$18,000 from the original purchasers, for ultimate use as a parsonage. In the meantime it was decided since there was no other place available to use the dwelling for Sunday school classes. Classes were conducted there Feb. 16.

There are six families which may be described as abutting property owners. Two of these families objected to the Sunday school and The Stymie Corporation, a subsidiary of J. E. Merriam Co., obligingly furnished the objectors with a lawyer, to file an injunction suit. On Feb. 18 the suit was filed and the Rev. J. J. VanBoskirk, executive secretary of Chicago organization of the Christian church was served with a notice.

The hearing was held the next day before Superior Judge Norman C. Barry. The Rev. Mr. VanBoskirk had not had time, it was revealed to consult an attorney before the hearing and while he was there himself he was without a voice and the injunction was issued.

At the court hearing VonBoskirk pointed out to the attorney for the petitioners, George E. Brogan, that there was no other place yet to hold Sunday school services if the church was denied use of its property for the purpose. To which Mr. Brogan is said to have borrowed from Marie Antoinette's book and asked why they didn't go to the nearest town, that it would be a few miles for them to travel.

The injunction was granted on the strength of an agreement drawn up by the subdivider and entered into by property purchases prohibiting use of homes for any purpose other than single family residences.

The church has been given 30 days in which to file an answer before a hearing is held to make the injunction permanent.

The matter has been referred to the Church Federation of Greater Chicago as it could have far reaching consequences if permitted to stand. Such an injunction would permit a subdivider, a company, a village, city, an organization, even another church, to decide whether a community could or could not have a church. It is conceivable that under such a set up the hours of worship could be designated and even the form the worship was to take.

There are attorneys who are convinced that the injunction is a clear invasion of the right of freedom of worship as guaranteed by the United States Constitution.

They also point out that if a subdivider is given such power over churches it wouldn't be difficult to extend it over the property owners. Would property owners have to get permission to have guests—with a rider covering the length of the visit? Would householders be required to submit copies of menus for luncheons and dinners to which persons outside the family might be invited?

Mr. Merriam has not provided any place in his subdivision for community meetings so any committees or organizations, including the PTA, the Homeowners Association, Boy Scouts, bridge clubs or literary societies must meet in someone's home or drive several miles to the nearest town and hire a hall, unless they wish to be in violation of the covenant restricting the use of a home to residence for a single family.

Pershaps the easiest way to keep a tight rein on the community would be to erect a stockade or a high combination cyclone and barbed wire fence around it—assessing each property owner a portion of the cost of course—and establish guards at the gates. Every person living within the area could be provided with a pass to get him in and out. Guards, of course, would be given authority to search all cars to determine if residents were bootlegging guests by smuggling them in the trunk or under the groceries.

This sounds rather silly doesn't it, this talk about stockades and guards? But then whoever would have thought an injunction would be issued to bar church services in a community?

Farm Festival Visitors to Get Lowdown on Diet

Home economics scientists at the University of Illinois will dramatically show Farm and Home Festival visitors how nutrition research benefits them.

During the Festival, March 27, 28 and 29, these nutritionists will display and explain current research projects and facilities in the modern Bevier hall.

Festival visitors will see how rats and guinea pigs aid nutrition research. Research workers plan to display some laboratory animals that will graphically show the effects of eating different and varying amounts of nutrients.

Visitors will also see how research equipment operates. Some instruments on exhibit will determine how much en-

ergy various activities require. When researchers study a homemaker's activities, they can learn how many calories she needs for her daily work. One measuring device stays with her thruout all of her house, hold activities—from washing to making a grocery list and sewing. Results of this study will help nutritionists to know how many calories a busy homemaker needs for her everyday activities.

The Federal Government could pay off the national debt if it could collect about \$1,600 from every man, woman and child in the country.

For the average man with a wife and two children, this would mean \$6,400.

According to a newspaper account, a large Massachusetts high school spent more on athletics in a late year than on science and mathematics combined.

S W Suburban Fives Fail to Survive Any Regional Tourneys

None of the basketball teams in the Southwest Suburban conference survived the state regional tournaments last week so the only interest the fans have in the sectionals now is academic.

Sandburg was blasted out of the running by Thornton, 82 to 52 at Blue Island and in that same tourney the Bremen Braves were eliminated by the host team, 55 to 46.

The Braves played well and the game was one of those nip and tuck affairs from the opening whistle until midway of the final quarter.

At the end of the third period the score was 36-all. Blue Island began clicking after midway in the last frame and couldn't be headed. Blue Island ran up 19 points in the final period while holding the Braves to 10.

Box score:

Blue Island (56)	fg	ft	pt
Featherstone	2	2	2
Hall	2	1	3
Robinson	6	2	5
Funtches	7	1	3
Flores	3	4	0
Burke	1	3	2

Tinley Archery Club Expands Its Scope

Members of the Tinley Park archery club voted at a recent meeting to become a field archery club. This will mean shooting at targets of variable distances and sizes. Of course, target practice will still be held.

The Tinley Park archers will welcome all interested people to watch the shooting held in the Bert Fulton school gym on Tuesdays and Fridays from 7 to 10 p.m. Anyone desiring more information on the club may call president Orle Buck at KE 2-2288.

The club will soon observe its first anniversary.

The National Archery association was organized in 1879 and Chicago was host to the first national tournament that year.

Hilltoppers Score 51-42 Win Over Knights In Regional Tourney

By FRED KIESLAR

On Wednesday, March 5, the Lincoln-Way Knights met defeat in the Joliet regional division of the state basketball tournament at the hands of Joliet Catholic high 51 to 42.

Before this game the Knights completed their regular season with a loss to close up shop for the year with two win-10-loss record in the Southwest Suburban conference, and a non-conference record of five wins and three defeats.

Lincoln-Way scored 10 points to the Hilltoppers' 14 in the first frame. The two teams were even until the last minute of the period when two buckets by McCabe gave J. C. four points which were needed to end the frame out front.

The Knights' score was topped by three in the second period to give the Hillmen a seven point lead at the half, 25-18.

At the close of the third frame Catholic high led 41-28.

In the final period Lincoln-Way came to life and picked up four points of their deficit

by scoring 14 points and holding the Hilltoppers to 10.

Henry Jessen was high scorer for the Knights with 18 points.

Steve Rickelman hit seven buckets and six free throws to be high scorer for J. C. with 20 points.

Altho with the cage season ended at Lincoln-Way the baseball and track teams will start warming up in three weeks for two busy schedules.

Mokena Advances to Second Round In New Lenox Basketball Show

Mokena's Meteors advanced to the second round of the New Lenox Tournament Monday as they downed New Lenox 31 to 30. The win was the third of the year for Mokena over their arch rivals and this was the second straight time that the margin has been a single point.

The game was as close all thru the contest as it was at the finish. Mokena lead at the quarter 5 to 4. New Lenox gained control toward the end of the first half and left the floor with a 16 to 15 lead. Summers lead the surge for New Lenox with three baskets. All of Mokena's scoring in the quarter was done by Muehler with five points and Yunker with five points.

Summers continued to pace New Lenox as he scored two more baskets in the third period. The Meteors regained the lead, however, 25 to 24 as the quarter ended mainly on the work of Yunker who got loose for three baskets and two free throws.

Altho the Meteors led, the cause looked black as Yunker picked up his fourth foul as the third quarter began. Johnson got his first basket of the night to move the score to 27 to 24 and Mokena hung on for the three minutes Yunker was on the bench. New Lenox came within one point several times but another basket by Johnson and one by Yunker on his return to action off set two baskets by Summers and two free throws by Reinhardt. Both teams missed free throws in the last minute and the Meteors stalled the final seconds to notch another thrilling victory.

The Meteors now take on Channahon Thursday night at 8:30. This should be the outstanding game of the tourney as these two teams tied for the conference championship with 10 and 2 records this year.

Channahon defeated Mokena in their only meeting of the year. The margin was seven points on the Channahon floor.

Box score:

W. Harvey Wins Grade Tourney at Tinley Park

The West Harvey elementary school basketball team won the Tinley Park Grade School tournament for lightweights, held at the Central school, last week.

The Harvey school downed Blue Island in the championship game by a score of 52-38. Coach Don Hakes fielded one of the most outstanding lightweight teams ever to participate in the tournament. The Harvey team combined precision passing, great rebounding and excellent shooting to take the championship with little challenge from any of the three teams they downed.

West Harvey opened the tournament by rolling over a smaller, but scappy, Roosevelt team from Dolton 39-25. The next game found Steger having little trouble beating Evergreen Park 43-10. The evening session opened with Blue Island dumping Simmons of Oak Lawn 27 to 21. The final game of the opening round proved to be the most exciting as Tinley Park downed a stubborn Flossmoor squad, 25-21.

In the semi-final games West Harvey found little trouble beating Steger, 37-21. The next game was a battle down to the final seconds as Blue Island derailed Tinley 35-32. Tinley jumped off to an early first half lead but the Blue Island squad caught fire and scored the winning basket with only 25 seconds remaining in the game.

The championship game was no battle for West Harvey as they jumped off to a 19-5 first quarter lead and were never headed. Tinley fought Steger a close battle for the first half, but fell by the way side in the second to lose, 31-20 to finish fourth.

My Neighbors

"He's been sitting on that cloud ever since he heard about that tax reduction bill pending in Congress!"

Card of Thanks

My sincere thanks to all who sent lovely cards, notes, flowers to me while I was a patient in the hospital and since returning home. Also for all prayers in my behalf.

MRS. RODERICK RAINFORD,
Frankfort

My sincere thanks to all my friends, neighbors and relatives who were so kind and thoughtful of me during my recent illness; also to the Rev. Dallas Mucci and the Nazarene church for their prayers.

MRS. ARTHUR KEUCH,
Tinley Park

I wish to thank my many friends, relatives and neighbors for their cards, visits, flowers and gifts during my recent hospitalization, also the Rev. Carl Hoeh and Mr. and Mrs. Otto Beecue for their thoughtfulness.

MRS. ED. BOCHMANN

Church League to Sponsor Cage Tourney At Tinley March 19-22

The Tinley Park Church league will sponsor an invitational basketball tournament at the Central school, March 19-22. The four teams in the league have been seeded according to final league standings, with each drawing an out-of-town team for its opening opponent. Teams from Harvey, Joliet, New Lenox and Markham will be competing against the church league teams.

More than 60 awards will be given, including trophies, to teams and individuals participating. Trophies will be given for the first three places in the tournament, plus individual awards to the players on those teams.

A tournament All-Star team will be chosen, as will second and third teams, and these players will each receive awards.

The opening game of the tournament will be Wednesday, March 19 at 7:00 p.m. between the Teen club and Joliet DeMolay. At 8:30 the same evening the Nazarenes will play the New Lenox Lutheran church. Thursday evening's opening game will pit the league champion Methodists against the Harvey Rebels. This game will be followed by the St. George Catholic team opposing Markham. The semi-finals will be played Friday night and the championship game Saturday night.

Doors for all sessions will be open at 6:30 p.m. Donations for each session of two games will be accepted at the door.

March 20, 1952—"Uncle Tom's Cabin", Harriet Beecher Stowe's story of slavery, published; in two months more than million copies were sold.

Farmers Can Get New Booklet on Stock Raising

"Your 1958 Hog Business" and "1958 Suggestions for Feeding Beef Cattle" are two new booklets that farmers can now get at their county farm adviser's office.

Prepared by extension livestock specialists at the University of Illinois College of Agriculture, these booklets have in them all the latest information based on research findings that will help Illinois farmers to do a better job of producing pork and beef.

In the hog booklet are sections on management, pasture feeding, confinement hog production, rations to use and selection of breeding stock. Several pages are used for answering the most common questions asked of the extension specialists by hog producers.

Some of the questions answered in the beef booklet include those on hormones, grass silage, high-moisture corn, urea, pelleting and "all-in-one silage. Sections in that booklet are concerned with wintering rations, rations on pasture, drylot fattening rations, emergency rations, minerals and questions most often asked by cattle feeders.

Ask your county farm adviser for your copy of either or both of these 1958 suggestions. Or write directly to the College of Agriculture, Urbana.

An hour's work will buy 50 per cent more butter in 1958 than it bought in 1940.

Tinley Personals

GARDEN CLUB

The Garden Club will meet next Thursday March 20, in the home of the president, Mrs. Robert Memhard. Luncheon will be served at 12:30. Mrs. Gervis Klepper will present the program.

GIRL SCOUT COOKIES

Once again it is time for our Girl Scouts to sell cookies. They will start taking orders Monday, March 17 at 3:30 p. m., and deliver them April 10.

This year three types of cookies are offered; four-flavored sandwich cremes, chocolate covered mint teas and Scot teas. The proceeds from the sale will go to maintain camps and buy new equipment with each troop getting a return of 2c a box.

Last year Tinley Park sold 2400 boxes and expect to exceed this mark this year.

Mrs. George Chodl is chairman of the drive with Mrs. Leonard Turner as co-chairman.

Jack Halpin of Tinley Park has received announcement to the effect he was chosen to represent Tinley Park in the annual Irish Artist club parade which will be held March 16 at 1:30 pm. starting at 79th and May street. Mr. Halpin is employed with the Link Belt railroad.

Missionary Group

Woman of the First Baptist church of Tinley Park met March 6 for a morning prayer session which was followed by Buck presented the topic "Churches established in Faith" Several women of the group took various parts of the planned devotions. Fourteen ladies were present.

WBA Meets

The Women's Benefit association met March 6 in the home of Mrs. L. V. Bacon. The Cloudy and Sunny club returned their pennies and report which showed there were more sunny days than cloudy from August 1 to March 1. The April meeting date will be announced later due to the Easter holiday.

State convention will be held April 15, at the Congress hotel, Delegates going will be Ruth Bacon and Mildred Sayre. The National convention will be in July at Washington, D. C.

Sympathy is extended to the Wilson Carlton family of 171st and Oketa ave. in the recent death of his mother, Mrs. Margaret Allen Carlton, age 83, of Harvey. Mrs. Carlton passed away Feb. 27 with burial services held in Winchester, Tenn. Mr. Carlton has been seriously ill for sometime and was not able to attend the services. Mrs. Carlton and two sons, Albert and Lee attended.

The Clover Belles, local 4H group met March 7 in the home of Betty Cammire with their president Carol Kimmel presiding. It was decided to have a bake sale March 22, the place to be announced later. New members welcomed were Suzanne and Sharon Dykstra. Demonstration on how to make wood fiber flowers was given by Margie Kimmel and Marjorie Andres and good grooming by Barbara Schilling. Refreshments were served by Mrs. Cammire and her daughter Betty. April 11 the meeting will be held at the home of Patty Grote.

Mr. and Mrs. Paul Luchine and family of Springfield were Sunday dinner guests of the Johnny Johnson family.

Mrs. Charles Nielsen who has been a patient at St. Luke hospital for the past two weeks, remains the same.

Eddie Dini, son of Mr. and Mrs. Angelo Dini is home recovering from a tonsillectomy in Hazelcrest hospital last Thursday.

Mrs. Min DeChant of New Lenox was a guest of Mr. and Mrs. Bernard Hartman last Tuesday. Houseguests for the past several weeks of Mr. and Mrs. John Bettehausen were Mr. and Mrs. Otto Seydel of Badger, Minn.

Saturday night supper guests at the P. L. Jochum home were Mr. and Mrs. James Dougherty. The Doughertys are new residents of Tinley Park, having moved into the Wally Rogers home recently. Mr. Dougherty is an attorney with the First National Bank of Chicago. An all-day guest Sunday at the Jochum household was Grandma Jochum of Blue Island.

Mr. and Mrs. Henry Nolte, Mrs. Harriet Wagner and Mr. and Mrs. Julius Osberg attended the Wayfarers meeting in Mokena Saturday evening.

Mrs. Olga Meier of Orland Park was a guest at the Charles Schara home Monday.

Mr. and Mrs. Harold Andres held open house March 9 honoring the 80th birthday of Mrs. Katherine Andres, mother of Mrs. Andres.

At a recent meeting of the Bremen Beacons, held in the home of their leader, Mrs. Robert Nelson, mothers were guests. Diane Campbell told about a Valentine party. Demonstrations were given by Judith Feiwell on how to mark a grain line; Jean Wille on suitable tools used; Nancy Titus on how to shrink material; and by Darlene Philippi on how to know your pattern type and size.

Refreshments served by Barbara Ann Bonner were brownies and "funny cake" that the girls had made.

At the next meeting the members will begin their sewing projects and will gain sewing practice on Mrs. Nelson's own machine.

Cancer Dressings

Sixteen ladies met in the Church of Christ last Wednesday to make cancer pads. They made 104 pads which will be delivered to the American Cancer Society in Chicago Heights. The next work day will be March 19 in the Education building of the Church of Christ from 1 to 3 pm. Anyone is welcome to join in this work.

The senior choir of Tinley Methodist church will present the captata "The Seven Last Words" on March 30 at 4 pm. in the sanctuary. Guest soloists and organist will participate, as well as several instrumental accompaniments.

With Mrs. Robert Hill presiding, the VFW Auxiliary 2791 met March 4 to elect officers for the coming year. They were: Mrs. M. S. Morrison, president; Mrs. David DeVault, Sr., vice president; Mrs. William Houle, Jr. vice president; Mrs. Eugene Roe, treasurer; Mrs. Ray Sullivan, chaplain; Mrs. Alvin Miller, conductress; Mrs. John Johnson, guard, and Mrs. Robert Hill, three year trustee. Installation date to be announced.

Under the direction of their Cancer chairman, Mrs. Mike Haber, members made bandages following their business meeting. The Auxiliary will assist the VFW Post at their annual St. Patrick's dance March 15 in Sanger hall. The public is invited to attend.

Gerald Jacobs, who has been in baseball in the minor leagues for several years, playing all over the country, and who decided to continue in the baseball business, changed his mind about it last Friday and has given up the baseball game — for good—he states.

Mrs. Ray Jacobs who suffered injury to her leg recently when she slipped on the ice and has been walking with crutches since, was glad last week when she could lay aside her crutches. In two days walking the injured leg began to swell and now she has a walking cast, but is doing nicely.

The League of Women Voters will meet March 17 in the home of Mrs. John Rooney. Mrs. Martin Simmer and her committee will present the topic on water resources. On March 20 the League will meet in the home of Mrs. Peter Seeley when Mrs. Edward Balkar and Mrs. William McBurney as discussion leaders. Both meeting will start at 8 pm.

Bids \$944,490 on Interceptor Sewer At Willow Springs

(CNS) Metropolitan Sanitary District has opened bids for an interceptor sewer to serve Willow Springs and Justice.

Apparent low bid of \$944,490 was submitted Thursday by Kenny Construction Co. District engineers had estimated cost of the project at \$900,000.

A tabulation and report of bids received is to be made by Harry E. Eaton, chief clerk. Work is expected to start in

THE NEWS-BULLETIN
Mokena, Illinois
Thu March 13, 1958 Sec. 1 Pg 11

April, if the contract is awarded in March, and the program completed by the end of the year.

The 2.4 mile line will run along the south bank of the main channel of the Sanitary and Shop canal from 67th to 79th streets. The area to be served has a population of about 20,000.

A future extension will serve the area south of LaGrange and Western Springs, said Anthony A. Olis, district president.

Faster...Easier...At Less Cost

The weight per blade is upward from 50 pounds each... the width is 10, 12½, or 15 feet in these 200 Series Allis-Chalmers Disc Harrows. You'll chop stalks quicker, make a smooth, level seedbed much faster... and give more of your seed its chance to grow.

The 10-foot disc and D-14 Tractor (shown) work fast... 5 mph in 3rd gear... with Power Director and TRACTION BOOSTER system. The bigger models do an equally good time-saving, cost-saving job — up to 75 acres a day with the 15-foot harrow and new D-17 Tractor.

TRACTION BOOSTER is an Allis-Chalmers trademark.

Film Sequel to "The Robe" Will Be Shown at Tinley

Tinley Park will have the opportunity to see "Demetrius and The Gladiator" on a wide screen with good projection.

It is sponsored by the Youth Fellowship of the Methodist church and will be shown in the Central school, Sunday evening, March 23 at 7:30 o'clock. Tickets may be obtained from members of the MYF or at the church office.

The picture is a sequel to "The Robe" and carries on with the story of some of the characters of that production.

Dog Problems Vex Villages

Dog problems are dogging New Lenox authorities as well as those in Mokena. Mokena has an ordinance which requires dog owners to keep their pets tied, shut in or on a leash and officials warn that dogs running loose will be picked up. If dogs are picked up owners will have to pay a fee to have them liberated.

New Lenox does not have an ordinance but Trustees Noel Elliott and Leonard Heimerdinger were named as a committee to bring in recommendations for a control measure.

Trustee Keith Hossack said that he believed most of the dogs running loose were visitors, coming in from outlying areas to spend their days in town.

Whether to install and operate a dog pound will be one of the questions studied by the committee.

"Extendable Area" Phone Service to Begin This Sunday

"Extended area" telephone calling service will begin this Sunday, March 16, for more than 31,000 telephone customers in the Joliet-Lockport area.

At 12:01 a.m. the wider calling plan will go into operation for all telephone customers served out of the Joliet, Channahon, Elwood, Manhattan, Mokena, New Lenox and Plainfield exchanges; Lockport customers with Extended Area type service; and Lemont customers with Metropolitan and Rural type service. The local (toll free) calling area of these telephone users will be expanded Sunday to include more than 30,000 telephone numbers.

The manager, H. G. Gramm pointed out that the new calling methods are listed on Page 11 of the new 1958 telephone directory.

New Lenox Girls To Attend Session Of United Nations

Two New Lenox girls will leave for an exciting trip to New York city April 7.

They are Carol Werner, daughter of Mr. and Mrs. Charles Werner, and Marilyn Sayers, daughter of Mrs. Edith Sayers.

The trip, being sponsored by the Methodist Youth Fellowship and the Woman's Society of Christian Service, will include sitting in on a session of the United Nations, attending a Broadway play and visiting the Statue of Liberty.

It's a good idea to buy vegetable seeds from a reliable company.

It's 30 to 50 per cent cheaper for farmers to harvest their own trees for building purposes than to buy lumber, says a University of Illinois farm forester.

Knots in pine logs are almost imperishable, decaying much less than the log itself.

Subdivider Says Curbs, Gutters Cost too Much

The Orland Park village board turned down Brashler and Kall Construction company's request to waive or amend the provisions of its ordinance covering subdivisions. The Planning Commission recommended approval of the plat for the subdivision if the subdivider complies with the village ordinance.

This particular piece of ground is located on 108th avenue at 142nd, just outside the corporate limits. There are 10 acres in the piece, divided into 16 lots. Theodore H. Brashler told the board that if the company had to install curbs and gutters, surface the streets and build sidewalks as called for in the ordinance, the cost would be prohibitive.

Mayor W. R. Schussler, Jr. suggested to Brashler that perhaps the project could be completed in steps and suggested that he confer further with the planning commission.

The planning commission has recommended the village amend its zoning ordinance to provide new set back regulations for new commercial and business buildings. It is suggested that such buildings be set back 75 feet from the front property line. Such regulation, it was suggested by Trustee Doogan, should be limited to property along LaGrange road where the lots are deeper. The zoning ordinance now calls for a 20-foot setback at the rear and if this should remain in force and the building be set back 75 feet from the front, there would be little room left for a building on say a 125 foot lot, it was pointed out.

The idea of the 75 foot set back is to provide for parking space, it was explained.

first president to be inaugurated in Washington.

Benjamin Harrison was the last bearded president of the United States.

The port side of a boat is the left side, as one faces from stern to bow.

Tinley VFW to Hold St. Patrick's Day Dance March 15

The Veterans of Foreign Wars, Bremen Post 2791, will hold their annual St. Patrick's Day dance in Sanger hall, Tinley Park on Saturday, March 15.

Tickets may be obtained at the Post clubroom, 17147 Oak Park ave., Tinley Park, or at the door the night of the dance.

All of the proceeds of this 16th annual dance will be placed in the Post building fund.

3 Receive D.A.R. Citizenship Awards

The Good Citizen award was received by three students of Carl Sandburg High school, presented at a tea held March 4, given by the local chapter of the Daughters of the American Revolution.

The students are Marjorie Candy, Palos Park, 1st place; Janis Meredith, Orland Park, and Mary Krebs, Worth, runners up.

President McKinley was the first to toss out the ball at the beginning of baseball season.

Oklahoma is the only state whose capital, Oklahoma City, bars the state name.

Picadilly Weepers wore the moustache and long, drooping whiskers worn by fashionable men of England in the 1860's.

The Bremen Beat

By EDWIN BRUELL

Barbara Brown, sophomore at Bremen Community High school, recently wrote an article, "GAA Activities", which appeared in the January issue of "Illinois Interscholastic Magazine."

As a result of her appearance in print, she received an invitation from the editor of "School Activities Magazines", national publication dealing with extracurricular activities in schools, to write an article or articles for the journal. The contents of the magazine are written by prominent educators, and the circulation extends in all the 48 states and in 30 foreign countries.

Barbara, whose English teacher is Mrs. Betty Lou Hill and whose Girls' Athletic Association sponsor is Mrs. Evelyn Aitken, said that she has not yet decided on her vocation.

Her sister, Evelyn, last year's valedictorian at Bremen, is a freshman at the University of Illinois.

Barbara is the daughter of Mr. and Mrs. Douglas Brown, 16820 South Oak Park ave., Tinley Park.

John Elliot of Natick, Mass., Watermelons are white inside until they are cut and air oxidizes the meat, turning it red.

Ivory is supplied by the boar, hippopotamus and walrus, as well as the elephant.

BURGLARS—

(Continued from Page 1)
destroyed in the fire that swept the store about 18 months ago.

There is a possibility, investigators conceded, that the burglaries at the Economy Food Store at New Lenox and the one at The Shopping Bag are the work of the same crew.

Of this much they are certain. There is no connection between The Shopping Bag burglary and the one at Florey's Service station some weeks ago. The men who broke into the service station were picked up by the sheriff's office for other burglaries and are now serving time in the penitentiary. That crew was from Wilmington.

Orland Fire Dept. Plans Dance in May

The Orland Park volunteer fire department is planning to hold a dance Saturday, May 24 in Goodings Grove hall. Plans for the dance were discussed at the last meeting.

Representing the fire department at the caucus committee meetings are Delmar Garman and fire chief Arthur Granat.

At the meeting a representation from an electrical appliance company demonstrated a portable power unit to the fire men, a piece of equipment which aids firemen when fighting night fires by illuminating the area.

Mokena Lions Plan Community Picnic For Next Summer

The Mokena Lions club is planning a family picnic in the Community park, to be held this summer.

The club is asking all interested organizations in the community to cooperate with them in this event.

They invite representatives of the various organizations to a meeting at 8 p.m. in St. Mary's

social center, Thursday, March 20 where ideas may be explored without any definite commitments made.

This all day picnic the Lions believe could become an annual celebration to replace the homecoming of former years.

Natl. Tea Sales Hit New High

Another record high period for sales was reported by National Tea Co. when H. V. McNamara, president, announced that sales for the company's second four week accounting period were again the highest on record for any like reporting period in the company's history, exceeding 1957 by more than \$10 million and bringing National's sales gain for two first periods of this year to more than \$21 million over the same two periods of a year ago.

National Tea Co. consolidated sales for the four week period ending Feb. 22, 1958 reached \$58,921,717 for a healthy increase of \$10,693,805, which amounts to a gain of 22.17 per cent over 1957, when the company's sales were \$48,227,912, the previous all time high for any corresponding period of operations on record.

Year to date sales for eight weeks ending Feb. 22, 1958 totaled \$116,685,919 as compared to \$95,002,847 for the corresponding eight week of 1957. This gives National Tea Co., the Chicago based food chain, which ranks fifth among the nation's largest, a record increase of \$21,683,072 for the year to date, which is 22.82 per cent ahead of the company's sales at the same time a year ago. This is probably the largest sales increase reported by any business of comparable size so far this year, and certainly presents a

bright spot on the economic horizon.

As the second period ended, McNamara reported 893 stores in operation as compared with 756 stores operated at this time last year. For the year to date, as of March 1, 1958, National has opened 16 new super markets, 10 of which are in new locations, and the balance are relocations of former stores, which have now been closed.

TAX TALK

Edward Horner, Internal revenue agent, will be the speaker at the next meeting of the Tinley Park Lions club at their meeting Wednesday evening March 19. The meeting will be held in Jardine's restaurant with the dinner at 7 o'clock preceding the program.

Some advice for Husbands

When your wife gathers bits of colored paper, cloth and paint chips with a "do-it-now" glint in her eye...

- DON'T** leave home. It's sneaky, and won't change her mind.
- DON'T** try to be a "color" expert. It leads to trouble.
- DON'T** make a scene. It's futile.

DO give the lady your arm and lead her happily to the Color Carousel. It's that new, electro-mechanical marvel that gives your wife any paint color she wants, in seconds! They are paints of unsurpassed quality too:

WALL COLORS: FLAT, SEMI-GLOSS, GLOSS
HOUSE PAINTS: DECORATIVE & FLOOR ENAMELS
Easy to apply, quick-drying, washable, virtually odor-free!

ALSO the great new Carousel water-thinned

Dries in 30 minutes to vellum, washable finish, with no painty odor. Covers wood, plaster, wallpaper and masonry.

See your paint colors made instantly before your eyes on the AUTOMATIC

Conference Concert Friday at Sandburg

The annual music festival of the Southwest Suburban high school conference is to be presented tomorrow night at 8 p.m. in Carl Sandburg high school.

Some 300 youngsters will sing as a chorus and the band will be made up of 125 pieces. Chorus and band are drawn from the music departments of all seven of the schools that make up the conference, Lincoln-Way, Sandburg, Bremen, Reavis, Rich, Oak Lawn and Evergreen Park.

Guest conductors will direct, Walter Rodby, head of the choral music division at Joliet high school, will direct the chorus and Joseph Skornicky, head of the Milwaukee public school band program, will conduct the instrumental part of the concert. The public is invited.

Science Exhibit At Lincoln-Way Draws Crowd

The 126 assembled projects of Lincoln-Way's science open house at the High School last Friday evening drew a large crowd of visitors. A crowd estimated at over 600 people kept the exhibitors busy explained the details of their work to interested onlookers.

The judges presented "outstanding" awards to four members of the Phi-Chem Association: Joe Sluis for "Perfect Metal"; Stan Korista for "Deuterium Oxide"; Henry Barnett for "Viscose Rayon"; and Tom Dunham for "Hydrogenation of Oleic Acid"; Don Carter, Wendell Anderson, Ken Weber, Ted Dunham, Dona Anderson, Doris Smith, Bill Hathaway, Evelyn Roswell and Rich DeForest received first awards.

The Biology club presented a prize of \$10 to Tom Dusek and Buster Brown for their project "How Blood Types Are Determined." Their project was judged best out of a field of first awards comprised of Barbara Daugherty, Sharon Cappel, Bill Peterson, Harry Tatro, Kathleen Zum Mallen, Charlene Kurnat, Wilbur Weber, Nancy Albrecht, Bonnie Sproat, Gwen Doering, Jayle Struthers, Prudence Rowe, Les Michalek, Larry Surges, John Watkiss and Bob Mathews.

Some of the superior projects will be exhibited at the Science Fair sponsored by the Joliet section of the American Chemical Society at Lewis college on April 18 and 19. Others will be taken to the district meeting of the Illinois Junior Academy of Science at the Illinois Institute of Technology on April 26.

Neil Hardy, sponsor of the Phi-Chem Association and George Abraham of the Biology club guided the students in their work and helped organize the open house.

Drake U. Choir To Give Program at Orland March 18

The 60 voice Drake university choir will present a concert of early, contemporary and classical music in Orland Park next Tuesday night, March 18 at Carl Sandburg high school.

This is one of 11 concerts on the 1958 week long tour of the choir which includes stops in Iowa, Illinois, Indiana and Missouri. This will be the eighteenth annual choir tour made by a Drake university choir.

No animal or plant life can live in the Dead Sea because of the high percentage of salt.

Sandburg Plans Science and Arts Fair for April 2

For the first time the Carl Sandburg high school science fair will be held in conjunction with an Arts Fair. The date will be April 2. Along with one hundred and fifty science exhibits to be displayed in the boys gym will be a number of exhibits of students work from the following departments of the school: Home Economics; Art; Agriculture and Industrial Arts. The Arts exhibits will be arranged in the girls new gymnasium.

Since the science exhibits are to be judged, with the winning exhibits entering the district Science Fair of the Illinois Junior Academy of Science, a new method of judging has been established.

Instead of picking only one outstanding project from the various sciences, the judges will make awards on a first, second, third, honorable mention basis and immediately upon judging a project, the award will be presented. This method should speed up the judging of all the projects, and will enable the public to see the winning ones.

The entire Sandburg high school community is invited to attend the Science and Arts fair Wednesday evening, April 2, from 7:30 until 9:30.

Induct 15 In Honor Society At Lincoln-Way

Fifteen members of the junior class at Lincoln-Way high school were inducted into National Honor Society chapter there last Friday, March 7. The program was given by senior members of the society with David McGuire as master of ceremonies assisted by Carol Werner. Qualities necessary for membership in National Honor Society were explained by Ted Dunham, Barbara Niemann, Barbara Rollins, and David Zechlin. The welcome was given by Wendell Anderson, president.

As his name was called by Supt. A. Hunter Chapman, each student was escorted by a member to the stage for the formal initiation ceremony.

Those who received membership were Margaret Campbell, New Lenox; Vivienne Eisenbrandt, Frankfort; Robert Hughes, New Lenox; Geriann Hull, Mokena; Fred Kieslar, Mokena; Wayne Klasing, New Lenox; Jean Ann Meyer, Frankfort; Donna Miller, Frankfort; Charles Otto, Frankfort; Marilyn Schultz, New Lenox; Doris Smith, New Lenox; Mary Ann Snider, New Lenox; Sandra Swinford, Mokena, and Kathleen ZumMallen, Frankfort.

Students chosen for the National Honor Society are judged on leadership, scholarship, character and service. Scholastically they must have been in the top 10 per cent of their class for three years.

Mokena Fire Dept. Makes Improvement To Alarm System

The Mokena fire department extinguished a grass fire at the John Cole farm, 175th and 104th ave., Monday. About the same time Orland Park firemen were extinguishing a similar blaze at 187th and 104th ave.

A new alarm system has been installed whereby by pushing a button on telephones in the homes of Art Hostert, fire chief; Carrol Roberts, assistant fire chief; in Cooper and Hostert garage and Dunham Hardware, the siren can be sounded.

This will speed up response to fire alarms.

L-W Teacher Gets Science Scholarship At Cornell Univ.

H. Neil Hardy, Chairman of the Science and Mathematics Department of Lincoln-Way community high school has been named as a recipient of a Shell Companies Foundation Fellowship. The fellowship is for a six week session at Cornell University, Ithaca, New York. The fellowships were awarded on the basis of academic and professional preparation, teaching experience in science, leadership activities and abilities, special study interests, and plans for future leadership work.

Each of the fifty recipients will spend six weeks at Cornell studying in his scientific field of interest. Mr. Hardy has selected chemistry as his area. Other aspects of the program will include laboratory projects and discussions, individual adaptive work, visits to industry, and lectures by distinguished scientists.

Neil Hardy has been chairman of the science and mathematics department at Lincoln-Way since the school opened in the fall of 1954. He is currently active in a number of scientific organizations. He serves as a member of the board of directors of the Central Association of Science and Mathematics Teachers and is publicity chairman for the Illinois Junior Academy of Science.

Plan Observance of Library Week At Orland Park

The Orland Park public library extends a special invitation to residents to visit the library during the week of March 16 to 22.

Information released by the library states new books are received each month from the Book of the Month club and the Literary Guild selections in both adult and children departments.

The librarian will gladly obtain from the state library books requested which are not on library shelves.

Students who need material for term papers may use this service.

Library hours are as follows: Tuesday, 12:30 to 4:30 pm., Thursday 6 to 8 pm. and Saturday 2 to 5 pm.

New Lenox Plans to Observe National Library Week

"Wake Up and Read" is the slogan selected for the week of March 16 to 22, which has been proclaimed National Library week.

Librarians at the New Lenox public library are hoping that many persons will visit the library during this time and select books to read from the more than 3,000 books on the shelves. Some of the new books are:

Rockets and Missiles: Past and Future, by Martin Caibin; The Miracle of Light and Power, by Captain Burr W. Leyson; Understanding Electronics, by John Lewellen; Blinky, The Story of a Blind Dog, by Bess Brown; The Baltimore Orioles, by Frederick G. Lieb; The Cleveland Indians, by Franklin Lewis; The Official All Sports Rule Book, edited by H. V. Porter; How to Hit, by Johnny Mize.

Also the following adult books: Land of the Long Day, American Rugs, Encyclopedia of Superstition, Famous Light-houses of America, and Hound Dog Moses and the Promised Land.

Karl Mark was a German by birth, a Jew by extraction and a Protestant by faith.

Anton Pitela, 89, Retired Farmer of New Lenox, Dies

Funeral services for Anton Pitela, 89, of 817 Ogden rd., New Lenox were held Saturday morning at the Baskerville funeral home to St. Jude's church.

Mr. Pitela, a retired farmer, died in his home after a lingering illness.

Born in Europe, he had come to Chicago many years ago, moving to New Lenox 27 years ago. He was a member of St. Jude's church, New Lenox.

Mr. Pitela is survived by his widow, Marie, two daughters, Miss Mary and Mrs. Emma Spreitzer, both of New Lenox; a son, John of Bolivar, Mo.; six grandchildren and four great grandchildren.

Would Have 2-hour Parking on 143rd In Orland Park

An ordinance to limit parking on certain Orland Park business streets to two hours is under consideration and Attorney Raymond Pieper is drafting a measure which may be presented at the next meeting of the village board. Trustee Melvin H. Doogan suggested that parking be banned on 143rd st. from the Wabash tracks west to West ave. and possibly on some other streets. Commuters are in the habit of parking in business places all day, Doogan said.

Doogan also would have the signal lights in front of the Orland Park grade school on 143rd st. fixed so they can be operated manually by children after school hours.

FRANKFORT

Mrs. Katharine Heisner
Frankfort 5187

Helping Mr. and Mrs. Albert Stauffenberg of Manteno celebrate their 55th wedding anniversary at a dinner Sunday, were members of their family, Mrs. Anna Scheer, Mr. and Mrs. Elmer Batson, Mr. and Mrs. Orval Schroeder and Mr. and Mrs. Harold Cheer of Green Garden. Following dinner in a restaurant the party returned to the Stauffenberg home for a social afternoon where refreshments were served.

Mr. and Mrs. Harry Miller and Mr. and Mrs. Fred Schinkowski visited with Mr. and Mrs. LeRoy Wright at Kankakee Sunday afternoon.

Dale Warning of Farmington Mich., was an overnite guest of his parents, Mr. and Mrs. Edward Warning last Friday evening. Mr. Warning was enroute to his home after a week spent in Racine, Wis., on business.

A surprise birthday party was held for Stanley Warning Saturday evening at his home. Mrs. Ray Putnam and Mrs. Scherril Rahm were the hostesses.

Sixteen friends enjoyed an evening of various entertainment and later a buffet supper was served.

Mr. and Mrs. Willard Burde entertained Saturday evening the following dinner guests at their home: Mr. and Mrs. Walter Wiese, Mr. and Mrs. Harold Gans and daughter and Leo Bookout all of Lockport.

Mr. and Mrs. Robert Elsnor and Mr. and Mrs. Gene Batson and children were Saturday evening dinner guests of Mr. and Mrs. Connard Haakinson.

A group of 15 members of St. Peters church Sunday school department attended the Sunday School Workers Conference which was held Sunday afternoon and evening at Hammond Ind.

The junior Youth Fellowship of St. Peters church will meet Sunday, March 16, at 7 pm. at the church.

Mrs. Erich Bizer attended a meeting Monday of the Regional Guild board of officers at Matteson.

Rev. Hugo Leinberger of Park Forest, a director of the Mission of the Chicago Area churches was in charge of the services here at the morning service Sunday in place of Rev. Erich Bizer who had laryngitis.

Rev. and Mrs. Ben F. Day and Debbie attended the sub-district ministerial meeting held at the Trinity Methodist church in Joliet Monday.

Dr. O. J. Novota left Sunday for Denver, Colo. to attend a medical conference for the remainder of this week there.

Mrs. O. J. Novota and family spent Sunday in Chicago with her parents, Mr. and Mrs. Herman Boettcher.

The General Women's Society of Christian Service meeting will meet in the Methodist church Tuesday evening, March 18 at 8 pm. Election of officers for the ensuing year will be held. Mrs. Wendell Morrison will preside at the business meeting. The worship program will be given by Mrs. Frank Heisner. The topic is "The March of Missions in Healing." A film will also be shown. Hostesses are Mrs. Alex Mowatt, Mrs. Wendell Morrison and Mrs. Leonard Voytina.

The Royal Neighbors next monthly meeting will be held at the village hall next Friday, March 21, at 8 pm. Hostesses are Mrs. Ralph Nieland and Mrs. Edmund Ebert.

Mrs. Ben F. Day and daughter Debbie are spending this week with her parents, Mr. and Mrs. Gordon Telfer at Morris.

The meeting and dinner held at the Masonic Temple Wednesday evening for School Administrators and board members was attended by the public school faculty and board members, Vernon L. Nickel, State Supt. of Public Instruction was

the guest speaker and the Lincoln-Way Choral group entertained with musical numbers. Tom Olson is director.

Mr. and Mrs. Herman Barlewort entertained overnite guests Mr. and Mrs. James Kelley and daughter Joni of Hastings, Ia. in their home last Wednesday evening.

The last card and bunco party of the season will be given by the Weitendorf school District 154, on Friday evening, March 21, at 8 pm. The public is invited to attend.

Women Bowlers

The Tuesday evening women's bowling league attended the 29th annual state tournament for the Illinois Women's Bowling association for team events and participated in bowling on Sunday afternoon in Kankakee.

Another group of women bowlers of the late Friday night league at Frankfort also attended. They were Miss Willa Schroeder, Miss Donna Miller, Mrs. Clarence Harwood. Also Mrs. Doris Immekus and Mrs. Otto Stadel, both of Mokena.

The Woman's club will meet in the village hall Thursday, March 20. Mrs. Otto Novota is chairman. Co-chairmen are Mrs. Walter Schoen, Mrs. Merle Otto Miss Lois Bettenhausen, and Mrs. Orval Schroeder. A program "Your Voice is You" will be presented by Miss M. Zielinski of Joliet.

In the music contest of the local sectional E band section at Rockdale the public school had 14 soloists participate and two ensembles. Out of this number there were 12 1st and two 2nd in the soloist and both of the Ensembles got firsts.

Soloists were, 1st, Martha Otto, Roger Lenhart, Marcia Schweizer, Nancy Smith, Lynne Hansen, Peter Burns, Kay Van Rheeden, Richard Osmus, Terry Logan, Juanita Hansen, Mary Ann Otto, Sandra Harwood. Soloist, 2nd, Randy Smith, Judy Larson.

Ensembles: Clarinet section were: Sandra Harwood, Mary Ann Otto, Juanita Hansen, Randy Smith. Brass Ensemble Section were: Terry Logan, Richard Osmus, Kay Van Rheeden, Peter Burns, Lynne Hansen, Nancy Smith.

Law On The Farm

By JAMES J. ELSON

(Member of the Illinois Bar)

Farmers thinking about irrigation as a way to combat drought need a water supply. Many would-be irrigators are

wondering about using the water from drainage ditches crossing their land. Owners of lands crossed by drainage district ditches may have the right to use water from the ditch.

If the landowner has not sold or transferred the ownership of the land underlying the ditch, he has the right to use all of the water coming to his land in the ditch. The Illinois Drainage Code provides that the owner of any land over which a drainage district has a right-of-way may use the right-of-way land. However, he must not obstruct the drainage or increase the costs of the district in maintaining the ditch.

The right to use water may be qualified if the ditch was built along or in place of a natural stream or if it was built more than 20 years ago. In either situation the landowner may use only his share of the water. This means that he must consider the uses that other people wish to make of the water in the ditch. If no other person wishes to use the water, he may use it all.

The drainage commissioner does not have the right to stop a landowner's use of water simply because it is lowering the water table.

It would seem that the landowner's position would be the same if the drainage district owned the land underlying the stream. However, ownership of the "ditchbed" by a third person would seem to stop the adjacent landowner from using the water in the ditch.

U. S. railroads constitute a total investment of around \$35 billion—about 60 per cent in fixed property and 40 per cent in rolling stock.

Mokena Resident Pays Tribute to Allen Denny as "Man of Vision"

By BERLE NEEDHAM

There are so many articles being written these days concerning "men of vision" and their plans and thoughts as to what the future will bring forth, that it would be interesting to look back more than a century and discover what the "men of vision" of those days planned for the future of this community.

The land on which the original community of Mokena was established was owned by Allen Denny, who had the land surveyed and platted in the early part of 1852, which was before the time the Chicago, Rock Island and Pacific railroad was entirely completed thru this area. The railroad was completed as far as Joliet and the initial run made on Oct. 10, 1852. The original plat of the Village of Mokena lays along the north side of the railroad right of way.

A year or two later, Mr. Denny had additional land surveyed and platted as an addition to Mokena, which joined the original plat on the north, and one block of this addition was known as Block 12.

On July 3, 1855, Mr. Denny had Block 12 surveyed and divided into two equal parts, the East half of which he caused to be marked "Public Grounds", and a plat of this ground was recorded in the records of Will county in August 1855. Later Mr. Denny apparently realized that the original recording of the "Public Grounds" did not definitely state his wishes in connection with the use of these grounds; therefore, on June 10, 1856 he made and had recorded a further declaration of dedication, stating that these grounds were to be used for churches and other public buildings. Later the south half of this ground was set aside for church purposes and two church buildings were erected at the south edge of this ground along what is now called Second street.

Gave Cemetery Too

One of these churches, which was known as the Union church is presently the educational unit of the Methodist church and was dedicated in 1867. The other church originally built on these grounds was a German Lutheran, however, this church was sold and removed from these grounds upon the construction of the present St. John's church.

In the early part of December 1855, Mr. Denny had a second subdivision to Mokena surveyed and platted on the south side of the railroad right of way, which comprised 20 lots and a cemetery ground. This cemetery, in which a veteran of the Revolutionary War is buried is now known as Pioneer cemetery and lays a short distance south of the railroad tracks along Wolf road.

The first known white settlers in this area came to what is now Mokena in 1842, while the area was still inhabited by Indians.

The village of Mokena was duly organized under the laws of the state of Illinois on June 17, 1880 and altho it is only 78 years old as an organized village, it was platted 106 years ago.

It is quite enlightening to find that over one hundred years ago, when land was plentiful, a man had the foresight to dedicate a plot of ground which would be forever available for our use and enjoyment. If this had not been done it would now be impossible for us to have a park within the village.

LINCOLNWOOD

Dolores Anderson,
phone 3651 New Lenox

Mr. and Mrs. Vernon Newsome entertained in their home March 4 at a party honoring the birthday anniversary of their daughter Marilyn, who

was 6 years old. Games were played and the prize was awarded to Richard Peterson. A decorated birthday cake centered the refreshment table. Marilyn received many nice gifts. Those attending the party were: Richard Peterson, Jeffrey, and Candy Crisman, Mark and Mary Kay Sulzberger, Marcia Hutchison, Karen Wollenhaupt, Eric and Christine Saxon, Kathy Konkel, Douglas Wright, Jeff Deiken, Randy, Jerry, Terry and Nancy Jo Keller, Teddy and Kitten Woodcock and Jackie Newsome.

William Trench, Jr. will receive his Tenderfoot badge in Boy Scouting, at the father-son meeting of troop 49, when they meet Thursday night in the Boy Scout cabin in the camp grounds.

Mr. and Mrs. Roman Nowicki had as their guests over the weekend, Mrs. Jetta Glow and daughters Rosemarie and Judy, of Momence.

Mrs. Anna Crisman of Oak Park spent the weekend with her son, Mr. and Mrs. Ronald Crisman and family.

Mr. and Mrs. Robert C. Taylor and daughters spent Sunday in Aurora with her parents, Mr. and Mrs. W. G. Ascott.

Mr. and Mrs. Ralph Oldt and children were dinner guests Saturday in the home of her

parents, Mr. and Mrs. James A. Flaherty in Chicago, honoring the birthday anniversary of her father.

Community Bible Church Moves to Village Hall

Sunday, March 16, is moving day for the congregation of the Tinley Park Community Bible church, according to an announcement made last week by the pastor, the Rev. Paul Eldridge.

They will move from the building on Oak Park ave. where services have been held to the Municipal building where future Sunday services will be held.

At the 7 p.m. service this week, the film "My Right and My Cause" will be shown. This film, produced by the American Bible society, shows the tedious work involved in producing a translation of the Holy Scriptures.

In America, Bibles are very economically produced and are within the reach of all but in the many areas in the world where the Bible has not yet

been translated into the language of the people, many years of painstaking study is necessary to put the Scriptures into writing and to publish them.

The film depicts the work of the translator and pleads the cause of supplying every country with Bibles. There is no admission charge and the public is cordially invited.

(whether you use it or not!)

AIRPORTS

HIGHWAYS

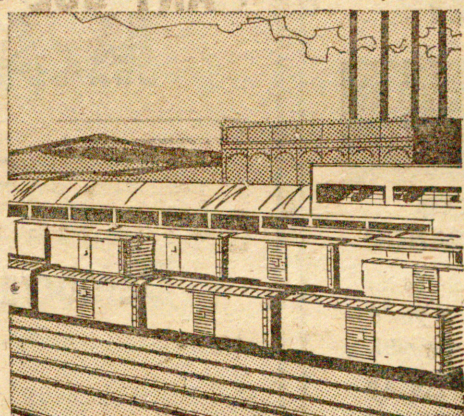

WATERWAYS

Billions of your tax dollars are annually spent to build and maintain the nation's airports, highways and waterways. Air, truck, bus and barge carriers thus have their "rights-of-way" provided at public expense. Yet the bulk of the taxpayers seldom have

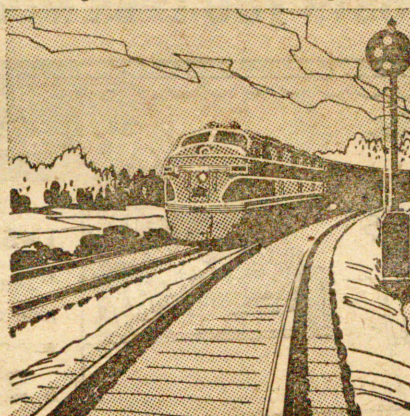

occasion to use all of these modes of transport. And these carriers operate with more flexible rate structures and under milder government controls than those regulating the self-supporting rail industry.

WE PAY FOR THIS...

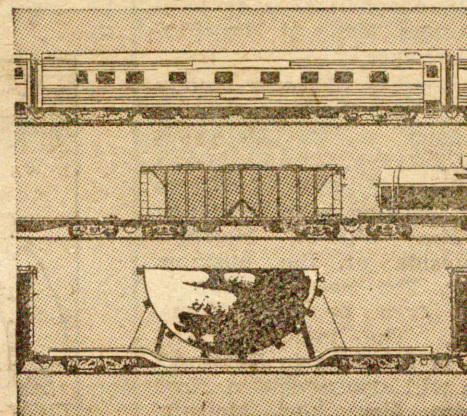

(also for your use if you choose)

MODERN TERMINALS

MODERN RIGHT-OF-WAY

MODERN CARS

Between 1937-1957, Rock Island Lines spent \$330 million to modernize completely its 8000-mile railroad. \$130 million was spent providing new or improved bridges, signalling, communications, roadbed, rail, warehouses, terminals, yards, etc. \$200 million was invested in new locomotives and cars. These vast sums pale in comparison to government

subsidies to air, highway and barge carriers. BUT railroad maintenance and improvement funds are derived solely from earning capacity (private capital). The Rock Island also pays taxes to all levels of government. Ironically, some of this railroad tax money becomes applicable to the subsidization of other forms of transport.

Spring Is Here-Hilltop Theater Will Begin Week-end Operation

Once the robin, the crocus and the pussy willow had top billing as harbingers of spring but there are other things now added to the list and not the least is the drive-in theater.

The Hilltop theatre, on U. S. 6 east of Joliet, is opening this weekend. The first show is scheduled for tomorrow night and will run thru Sunday. This schedule of pictures on Friday, Saturday and Sunday nights will be followed for the next three weekends.

After that—unless there is more snow and sleet—the theater will operate on its regular summer schedule, according to the management.

The Hilltop will continue to operate on the same policy as in the past. The playground for tots will be operated as usual, as will the concession stands.

In addition to hotdogs, hamburgers, popcorn and other time honored concession items, the Hilltop sells pizza. That pizza is a popular dish is illustrated by the fact that last season more than 17,000 of them were sold.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

Pupils of the Marley school, their parents and teacher, Mrs. Arlene Koerner will go on a field trip Monday, March 17 to Chicago by chartered bus. The group will visit the Prudential building and the Museum of Natural History. Each one is to take a sack lunch. The bus will leave the school at 8:30 a.m.

Joyce Schifler was surprised with a farewell party at the Marley school Friday afternoon. Games were played and refreshments were served by the Mothers club. Joyce was presented with gifts from her teacher, the pupils and from the Mothers club.

The Marley school Mothers club will hold a bake sale at Cooper's garage in Mokena at 10:00 a.m. Saturday, March 22.

The Marley Missionary society will meet in the Silver Cross Nurse's home March 19 to sew for the hospital. A potluck dinner will be served at noon.

The Rev. Wm. Krutza, pastor of the Parkview Baptist church of Mokena will speak at the Lenten service in the Marley church Wednesday night, March 19, at 7:30 o'clock. His subject will be "My God, My God, Why Hast Thou Forsaken Me?"

The Marley BYF will meet at the church at 7:30 o'clock Sunday night March 16. Arthur Walker will present the program.

Mr. and Mrs. Robert Sproat and children and Mrs. Adella Sproat were guests at a turkey dinner Sunday in the home of Mr. and Mrs. Durward Killinger.

Mrs. C. H. James and daughters of Oak Lawn were overnite guests Saturday in the Clayton Cleveland home.

The initial meeting of the Red Cross First Aid course, sponsored by the Marley Woman's club, was held Monday night in the Charles Elliott home, with Mr. Elliott as the instructor. Meetings for this 10 week course will continue each Monday night in the Homer Town hall.

The Jolly Neighbor's pinochle club met Wednesday night in the home of Mrs. William Dudlice, north Cedar road, New Lenox. Prizes were awarded to Mrs. Walter Lewis, Mrs. Glenn Smith and Mrs. Loren Sass. Refreshments were served.

Mr. and Mrs. Ed Malnar and family of Tinley Park were guests Sunday evening of Mr. and Mrs. Clayton Cleveland.

Mr. and Mrs. Russel Lauffer were visitors Sunday evening in the home of Mr. and Mrs. Loren

GEORGEOUS GINA Lollobrigida is cast as Esmeralda, Gypsy dancer, in "The Hunchback Of Notre Dame," at the Hilltop Drive-in theater Anthony Quinn is her co-star in this CinemaScope and Technicolor production.

"Mr. Rock And Roll" is co-billed, and the program plays Friday, Saturday and Sunday.

Sass.

Mr. and Mrs. James McNichols and daughter Bonnie of Joliet were supper guests Friday night of Mr. and Mrs. Daniel Sass.

The Marley BYF attended the BYF Association rally at Plano Sunday afternoon and evening. Robert Stellwagen was appointed Christian Faith chairman of the association. The Marley BYF will have charge of the program at the next rally which will be in May. Those who attended were the Rev. and Mrs. Ray Hamer, Mr. and Mrs. Edward Sproat, Betty Stellwagen, Bonnie Sproat, Roger Corp and Robert Stellwagen.

HOMER

Mrs. Elizabeth Anderson
Lockport R. 1
Telephone Lockport 887W

The Good Luck Camp of Royal Neighbors cancelled their February meeting, because of the extremely cold weather. The group will meet March 20 in the Homer church, having the same hostesses who were to have served Feb. 20. They are Mesdames Marie Cagwin, Lulu Parker, Ida Daley and Gladys Kesser.

The Homer Men's club met in the church Tuesday evening. The new president, John Hollister, presided.

The Mothers' club of 33-C will meet in the school the evening of March 20. Mrs. Don Reid will be in charge of the meeting.

New Homer Club

A group of women in the 143rd st. area have recently organized a new social club. They will be known as The Luchettes and will meet each Thursday during the school year at alternate homes, for lunch. The members are Mrs. Alma Johnson, Mrs. Carol Sue Marino, Mrs. Irene Schauer, Mrs. Lorene Janosz, Mrs. June Cesar and Mrs. Edith Norbet. Dues will be assessed each week which will be used for a family barbecue picnic to be held at the Johnson home in August.

Because of the death of Walter Konow, brother-in-law of Mrs. Wies who was to have been club hostess, the Homer Woman's club met in the home of Mrs. Charles Goss in Lockport Wednesday.

The Country Charms 4-H club met in the home of Becky White Wednesday evening. Susan Kenney and Kathy Bier talked on rules of driving; Edna Burcham and Gayle Meyer discussed hazard hunting and Susanne Burcham gave a talk on the importance of first aid. There

was also a refrigerator cookie demonstration.

Stewart Reiter spent the week-end at his home here having come from Urbana to attend a fraternity dinner Friday night in Chicago.

Sherman Reiter is participating in the State finals in High School wrestling at Arlington Heights over this week-end.

Mrs. Earl Burnworth spent a few days in Aurora last week where she attended a Marine Auxiliary convention.

Mrs. Don Reid entertained a few neighbors at luncheon Tuesday.

Carolyn Drewes of Lockport spent last week-end with her friends, Dianne Morevic.

The Joe Vancil family were Sunday evening supper guests of Mrs. Ira Anderson.

Rev. Roy Hanson was a Sunday dinner guest in the Loren Aspel home. At supper he was entertained by the Victor Chudy's.

When Mrs. Hanson returned from a 10 day stay in Nebraska on Wednesday, she was accompanied by her parents, Mr. and Mrs. Paul Barber of Holdrege, Neb. and her brother, Lawrence, his wife, and three small sons, Mark, Gary and Jay of Omaha, who spent a few days at the parsonage.

Word has been received of the death of Ward Reed of Wilbax, Mont., on Feb. 25 who was a former Homer resident, the son of the late Mr. and Mrs. Frank Reed, and a brother of Emmerson Reed who lived here more recently. Ward moved to Montana when quite a young man and has lived there ever since.

Mrs. Clarence Rowley has returned from several days' stay in the home of her son, Elmer, in Lockport. Elmer has been attending a school conference in New York City and his wife visited their daughter, Joan, in Michigan, during his absence.

The Mothers' club of 33-C will sponsor a breakfast at Homer church Wednesday morning, March 26. Tickets may be obtained from the members. Proceeds will benefit the new school.

Robert Burch and Rev. Hanson attended a conservation dinner and meeting in Manhattan last Tuesday.

Mrs. H. V. Drewes and children of Lockport, Mrs. Francis Bacon of Wilmette and her daughter, Mrs. Susan Delaney of Joliet visited Mrs. Ira Anderson Wednesday.

A few members of the Missionary society met Wednesday at the church for a sewing session. The president, Mrs. Shepherd, hopes to make this a monthly custom for the society.

The Homer Church Beacon

The bulletin compiled by the Pilgrim Fellowship group and their councillor, Mr. Hanson, came out with flying colors this week.

The combined Lenten service will be held at Zion Lutheran church in Lockport on March 16 at 7:30 p.m.

Homeowners' Association

The regular meeting of the Board of Directors of the Kimberly Heights Homeowners' association was held Feb. 14. Mr. Kenworthy, chairman of the school committee, reported he had attended the school board meeting of District 143, and that the school board had approved plans for a four room school for Kimberly Heights, which would cost approximately \$70,000. A special school election was held Saturday, March 1 in the Arbor Park school to determine the future of this school. He reported that members of the school committee contact all residents of Kimberly Heights urging them to vote on this vital issue. We have since learned that the school bond issue was passed. The Kimberly Heights Homeowners' association wish to thank all residents for their solid support on this matter.

Robert DeRuntz reported he had met with the township road commission to discuss maintenance of roads in the Kimberly Heights area and was informed that, since there is a considerable time between the completion of residences and first taxes paid on full taxable valuation, little money is presently available for road improvement and maintenance in the area. The commissioner is providing as much maintenance as he can under the present financial limitations.

John Mersmann reported on his meeting with Walter Fierke, chairman of the Tinley Park Plan commission, regarding the Citizens Advisory committee for the Cook county zoning board.

Under new business, a membership committee was established with John Witte as chairman.

George Ames was appointed a representative of the association to act in a liaison capacity between the Homeowners' Association and the Neighborhood committee. The Neighborhood committee was established early in 1957 in accordance with conditions of covenants, to review plans of future homes to be built in the original develop-

ment. Another problem brought to the attention of the association was that of damage to shrubbery and lawns caused by dogs left to run at will. Dog owners will be requested to restrict their pets to their own properties.

Know Your Neighbor

Mrs. Julian Blanch is the newly elected secretary of the Kimberly Heights Homeowners' association. Mr. Blanch was also elected to an office and is a member of the board of directors of the Association. Both are keenly interested in the activities of the Association and feel the organization will help community members to live in a better and friendlier environment.

Pauline and her husband, Julian, live at 6250 Gaynelle road. They moved to Kimberly Heights in September, 1957, from Park Forest, where they lived for two years. Mrs. Blanch originally comes from Philadelphia, Pa., and Mr. Blanch from Stamford, Conn. They met while Mr. Blanch was attending graduate school at the Pennsylvania State university in State College, Pa.

Mrs. Blanch has attended the University of Pennsylvania, in Philadelphia. She is a professional singer, having sung in recital programs and for many civic organizations in her native Philadelphia. She had the leading role in "Desert Song", which was performed in Philadelphia, and then went on tour to various cities in the East. She also plays the violin and piano, but says she does more singing than either of the other two. She has been singing since moving to the Midwest, and is a member of the choir of Faith United Protestant church in Park Forest.

Mrs. Blanch is presently working as a secretary for Davidson-Kennedy Associates company, chemical engineers, and Mr. Blanch is a research chemist at Victor Chemical works, in Chicago Heights. Both enjoy many sports and hobbies, such as golf (their favorite), tennis, swimming, ice skating and skiing. They also enjoy a good bridge

shall endeavor to have each week an interesting little sketch of all the families in the subdivision, taken in alphabetical order. Now, if I skip anyone will someone please let me know, as it is quite some time since I learned my ABC's. Be thinking about what you will reveal when your turn comes, and please don't be too modest.

Girl Scouts

Girl Scout troop 587 will soon be selling Girl Scout cookies. Orders will be taken beginning March 17 at 3:30 p.m., to and including March 27. The money earned from this cookie sale will be used to further the Girl Scout outdoor program. Mrs. John Witte, 16351 Ridgeland, is the Troop Cookie chairman.

Young Keith Sorensen, of 16461 Mark lane, is recuperating from an emergency appendectomy performed at 10 o'clock one night two weeks ago in Hazelcrest hospital. It was quite an experience for a fellow of his age, but he is doing very well and will soon be out playing again.

Also on the sick list at this writing are Kenny DeRuntz and Dick Klecka. Hurry and get well boys, Den 1 needs you.

Have you noticed the handsome new wing being added to the Schuetz home at 16630 Beverly? Plans call for a spacious all season recreation room in which the Schuetz family and friends will no doubt spend many happy hours.

Several Kimberly Heights children attending St. George school took part in an entertainment which is the school's annual "surprise" to Father O'Connell on his feast day.

Net Income of Texas Eastern Sets New Mark

Consolidated net income of Texas Eastern Transmission Corporation rose in 1957 to a new high mark of \$24,918,376, according to the company's annual report to stockholders. This amounted after preferred dividend requirements to \$2.52 per share on the 8,372,510 common shares outstanding at year end, of which approximately 37c per share is considered to be non-recurring. Per share earnings in 1956 were reported at \$2.04 based on 7,218,100 shares outstanding at the end of 1956. On the basis of the shares outstanding at the end of 1957, per share earnings for 1956 were \$1.76.

The report termed 1957 as the most significant year in company history with record revenues, natural gas sales and system expansions being recorded while extensive diversification of company interests was being carried out.

Total operating revenues of the company climbed to a new, all-time high mark of \$229,042,712 compared to \$175,183,945 in 1956, the report said. Natural gas sales were 548,068,248,000 cubic feet compared to 496,741,157,000 cubic feet during 1956 and revenues from gas sales were \$189,888,958 compared with \$164,976,483 in 1956.

Reconversion of the Little Big Inch line to petroleum products service has been completed and the company is now receiving products on the Gulf Coast for movement to the Midwest. G. R. Brown, chairman of the board and O. S. Carpenter, president, reported in the annual letter to stockholders. Work on the reconversion of the 1,179 mile segment of the Little Big Inch and construction of the 14-inch lateral line to Chicago was completed when final authorization for the reconversion was received from the Federal Power Commission on Jan. 22, 1958, and tariffs were filed in January.

Extensive expansions were made to the natural gas system of the company. More than 1400 miles of new pipeline being added to the system, six new compressor stations were constructed and substantial additions in compressor horsepower were made at numerous existing stations.

Wedding Anniversary

To celebrate the 36th wedding anniversary of Mr. and Mrs. Edward L. Fortman of Chicago, a reception for friends and relatives was held in the home of their son and daughter in law, Mr. and Mrs. Robert Fortman of Woodland Circle Saturday night.

Their daughter and son in law, Mr. and Mrs. W. L. Schalk of Wolf rd., also helped in celebrating the occasion, and three grandchildren, Kathy, Debbie and Kenny Fortman.

Other guests were Mr. and Mrs. Clarence Zugenbuehler and children Billy and Barbara, Mr. and Mrs. Elmer Tepper and son Carl, all of Mokena.

A surprise visitor was Mrs. Fortman's uncle, William Ruppnow of Detroit, Mich.

Mr. and Mrs. Fortman's son Richard, of Chicago, was unable to attend.

The couple was born and reared in Chicago. They were married in Cincinnati, Ohio where their two sons were born. Their daughter was born in Chicago where the couple has lived for 30 years. They hope to move to Mokena as soon as they sell their property in Chicago.

The birthday of Mrs. Charlotte Tepper was also celebrated.

Refreshments were served and games were played.

The Evening circle of the WSCS of the Methodist church will serve another school lunch in the church next Wednesday, March 19 from 11:30 to 12:30. The menu will consist of barbecue, potato chips, cup cakes and orange juice. At the last school lunch which this group served, there were 150 children and several adults attending. It is advised if adults wish to attend they go before 11:30 or after 12:30.

Rita Carol, infant daughter of Mr. and Mrs. Robert Cupp was baptized Sunday after services in St. Mary's church with the Rev. Fr. Cecil Koop officiating. A christening dinner was served in the Cupp home which was attended by the grand parents Mr. and Mrs. Norman Hanson of Tinley Park, and Mr. and Mrs. Fred Werner and great grand-

mother, Mrs. W. D. Roberts, of Mokena.

N. F. Heiman has been a patient in St. Joseph's hospital for the past week where he is a medical patient.

U. of I. Band Concerts

James E. Cooper, son of Mr. and Mrs. Everett Cooper, a student of the University of Illinois and a member of the band, took part in concerts marking the dedication of the University's new band building March 7. It was also the national convention of the American Bandmasters association held on the campus March 5 to 8. Noted guest conductors appearing were Frank Simon, Ferde Grife, Harold Bachman and William Revelli.

A daughter was born to Mr. and Mrs. Gordon Spiess in Silver Cross hospital Monday morning March 10. The baby has been named Nancy and weighed seven pounds, 10 ounces. She and her mother will be welcomed home her two brothers.

The Afternoon pinochle club met last Thursday afternoon in the home of Mrs. Roy Kropp.

Mr. and Mrs. John Marti of Chicago were guests Sunday of Mr. and Mrs. Harold Cooper and Mrs. Emma Cappel.

The Evening Pinochle club met last Wednesday night with Mr. and Mrs. Everett Cooper.

Women's Guild

The regular meeting of St. John's Womens Guild will be held in the church parlors, Thursday, March 20. Desert coffee will be served at 1:30 p.m. followed by the meeting at 2 pm.

Mrs. Floyd Williams will present the devotions, the topic of which is "We Believe in God the Father Almighty."

Hostesses will be Mrs. Arthur Kuehl, chairman, assisted by the Mesdames Milton Bettenhausen, Robert DeForest, George Evans, Carrie Mattes, Ernest Munson, Wm. Schuldt and

COUNTRY CLUB HILLS

by Rusty Wilson
SYcamore 8-5669

FROM THE COCOON

This issue begins my sixth month as your writer of this column. Tremendous social changes have taken place in this time—population almost doubled, all the young people's groups organized, brand new civic organizations, funds, dances, parties, misunderstandings, new friends, heartaches and happiness.

Last week I went through all my back copies of the paper and cut out a special file of my columns, showing our history week by week for these eventful months. This file is available to any one who wishes it.

Do you realize I have had, in that time, personal reports from around 20 separate groups? (There must be more, but I can't think of them all off hand.) Those who have actually come to me with their news include: Citizens committee, Mothers club, Cub Scouts, Boy Scouts, Girl Scouts, Brownies, PTA, Teen club, Homeowners association, St. Joseph's Catholic church, Country Club Hills Christian church, Public school staff, Public school classes, School board, Joseph E. Merriam & Company, National Polio Fund and Heart fund, Firemans club, and Volunteer Fire department.

That's quite a list for a brand new community, isn't it? People from Tinley Park who have had occasion to call me, always comment on the amazing spirit of progress shown out here in Country Club Hills! It makes me proud to have recorded such progress.

Hibernating

You may have noticed these last few weeks I am attending less meetings in person and also printing a bit fewer items. There are four reasons for this: 1. My publisher has asked me to contain my column to 1/2 a page when possible (I could fill 2 pages easily, I believe) 2. This is a temporary lull while all civic group wait to learn just where the meeting hall will be. 3. Determined groups continue to inform me by written or phoned reports. 4. My husband, poor man, is now into his neck breaking race with his printer's deadline and works about 14 hours a day, leaving me stranded.

How I laughed when I saw my first column, printed the first week in October. So would you. The difference is amazing. Well, here's hoping the next six months is just as packed with progress as the past six were.

CALENDAR OF EVENTS

Meeting-Place Ready Soon

Yes, just hang on a few more weeks and the brand new fourth school building on Thomas Lane will be available for all civic meetings.

Saturday, St. Patrick's Dance

Everybody is invited! St. Joseph's Catholic church, Dixie highway in Homewood.

Sun., March 16, Adult Worship

All religious backgrounds are invited to 11 a.m. services held temporarily in the fire house, 182nd and Patrick. Service lead by the Rev. J. J. VanBoskirk, sponsored by the Disciples Union.

Mon., March 17, Citizens Com.

Newcomers invited to this vigorous group that works on problems related to our entire area. Bring questions and ideas. Held temporarily in Homewood VFW hall at 7:30 p.m.

Thurs. March 20

PTA Has Mr. Beam

Clarence Beam, president of our school board, will give special lecture on problems facing the new school board in its April election. All candidates for the new 7 man board are invited to attend and be presented to the audience. 8 p.m. in the Fire house at 182nd and Patrick (temporarily). Call Donald Schwenk, SY 8-9365.

Fri. March 21, Boy Scout Charter

"Court of Honor" for older boys who have earned recognition. Public program will include skits by all patrols of boys, demonstrations of scouting crafts. Refreshments served. Call Clifton Arehart, SY 8-8298.

Golden Crumbles and Blue Carnations

Sandra Raddatz, new president of the 8th grade in Coopers Grove school, called to announce more Golden Crumbles have been ordered for door to door selling in the weeks to come. It seems the class members have already sold out their first big order!

Blue and white carnations may be used to decorate the main school on the day of this class graduation. Their new officers are meeting now to finish plans for the important week. Officers elected were: class president, Sandra Raddatz; vice president, Jackie Hennessy; treasurer, Warren Leek; secretary, John Ferris.

Fire Alarms Coming

Frank Daniels, fire chief of the Country Club Hills Volunteer Fire department, announces that a very modern alarm system will soon be installed in our village by the phone company. Under this plan, a num-

Reliable Accounting Service

For Small Business Men!

Reasonable Monthly

Rates

Tax Work Included

Robert Schweizer

Frankfort Ill. Tel. 4621

ber is publicized for citizens to call in fire emergencies. This number rings at the home of a volunteer always on duty and he will then ring an alarm connected to each home phone of all volunteers.

Also, a fire siren has been mounted on the roof of the fire house but cannot be used until delivery of the new fire engine. (The original contract for the fire engine carried the delivery date of Dec. 15. Delay has followed delay and our volunteers have had to sweat it out, waiting for the delivery.)

Mr. Daniels announces that first aid classes are planned for all the men, equipment stands ready for use when the engine arrives. Never fear—our day and night fire protection has been carefully planned.

Drops of Kindness

Evelyn Gins, of 4710 W. 183rd, has been most kind in calling in a wealth of news tidbits to me, including recent news from St. Joseph's Catholic church. At various times she has called to offer extra Symphony tickets, names of newcomers, and all sorts of helpful hints to and from her neighbors.

Mr. and Mrs. Robert Lupien were most neighborly one recent icy night when my husband's car stalled in front of their home at 18145 Thomas Lane. Looking around at the strange houses near me, I climbed out of the frozen car and stumbled through the wind to the nearest home. Mr. and Mrs. Lupien had a delightful conversation until my husband came to collect my frozen self—cozily thawed at the tips by the warmth of the Lupien home.

Mrs. Lee Broadstone wishes she knew the names of all the kind neighbors who helped her extricate her car from the deep

mud one Sunday morning, very early, as she was trying to deliver Sunday papers. She said one family invited her in to their home and used their phone for her aid, despite the awkward hour.

Teachers Will Dine With Mothers Club

At the meeting March 5 of the Mothers club of Coopers Grove public school, final arrangements were made to honor the teachers with a special dinner. It will be held March 20 at 7:30 p.m. in the Green Shingle restaurant. Mothers should make reservations, no later than March 17, by calling Betty Bergman, SY 8-5664.

Following the business session a pleasant social hour was enjoyed. The planter was awarded to Joyce Olsen. Games were played. Hostesses were Helen Warzynski, Martha Shank and Irene Sokolowski.

Plans were discussed for the funfair to be held in May. In the plans are booths for white elephants, plants, baked goods and handicraft items.

Games will be available with prizes among which will be pony rides for the small fry. Residents of the community are urged to donate suitable items. For this contact Lillian Thomas at SY 8-6728 for arrangements to pick up articles.

Churches Share Space

Last week I mentioned how friendly our local churches have all been, welcoming visitors to their meetings, inviting us to their parties, and in general making us all feel at home in our new community. Last Sunday evening St. Paul's Community church, on Dixie highway in Homewood, offered its new basement meeting hall to

the Country Club Hills Christmas—Starting at 5 p.m. with a spaghetti dinner, followed by worship and entertainment for young families from our village. While this gathering took place in one wing of the majestic brick building, other services were being held in another wing of the church building by a different group.

What is a church? A helping hand to those in need.

History of "Our Town"

Available

Anyone wishing to check back on the development of our community for the past five months, remember to call me: Rusty Wilson, SY 8-5669. My complete newspaper file can be borrowed by anyone with reason to use it.

Til next week then, this is your friend in the redwood house, Rusty Wilson, saying: tian church for their social evening—MAY YOU FARE WELL.

President George Washington declared an embargo against England and France on March 26, 1794, as economic reprisal against those countries for aggressive actions against U. S. shipping.

LIFE SAVING METHOD—are demonstrated on obliging patients by members of the Orland Park volunteer fire department. Pictured left to right is assistant fire chief Frank Kruspe showing how to use the arm lift method on fireman William Young. The prone pressure method is demonstrated by Del Gasmon on Frank Franc. Using the Sylvester method, fire chief Art Granat works on "patient" Mell Ballou. (Marvin Smith photo)

Collectors Would Like to Rent this Place

JOHN W. ALLEN
(Southern Illinois University)

We like to "prowl." While doing so recently, we had an opportunity to wander leisurely thru a collector's house at Benton, Ill. It would be more proper to say thru a collector's houses, for this collection filled two, besides a few truck loads of furniture found stored in a large downtown garage. Altho we came away amply confused, we learned a lot and many memories were revived.

Before the visit, we had associated all banks—real banks—with money. After looking over the hundred or more toy banks in those houses, even the toys became associated with money—real money. This was made clear when we picked up one of the toys. The appraisal tag on the bottom said \$400. We very gingerly set it down.

These toys were most interesting. Some of them tipped their hats, ran around in circles, played tunes, rang bells and made other queer responses when a deposit was received. It would be a pleasure to do business with some of them. While looking at this collection of toys, we observed that reports of bank robberies are frequent but one doesn't often hear of a bank being stolen. If a would be robber knew about a collection like this one, perhaps it would be fully as profitable and less hazardous for him to steal the banks.

Hundreds of Fans

In the drawer of a chest there were a hundred or more ladies' hand fans, large and small. They were made of wood, ivory silk, paper, palms and feathers. In their day, they provided about the only air conditioning available. They also were useful in the one-time fan flirtation that enabled the timid damsel to signal her message to an observing admirer.

Coffee roasters and coffee mills told of the time when the housewife bought green coffee berries at the grocery, took them home, roasted them, ground them in the family coffee mill and boiled, really boiled, the breakfast brew in a pot, settling it by a dash of cold water or by pouring it back and forth in a cup. There were tables and shelves laden with grease lamps, candle molds and candle holders, and with hundreds of kerosene wall and table lamps. There also were carriage lamps that once adorned the "surrey with the fringe on top."

competition. Several of the albums were equipped with music boxes that played when they were opened. Even if the portraits were dowdy, the music was good.

One room had many, many china dolls along with boxes of spare parts—arms and legs and special materials for dresses. There were even some very old hand cranked sewing machines to make the clothing. It would not be safe to say how many thousand buttons, large and small, were tastefully arranged on cards. There were figure buttons, picture buttons and many self buttons that really were ornamental. Some of the buttons displayed are now worth more than the coat, suit or dress they once adorned.

A Bit of Everything

An amusing item was a lady's boot jack with a frame across its front and a curtain so arranged that no shapely ankle need be exposed. Wooden churns, milk crocks, ladles, butter molds and milk strainers reflected the home dairy days when milk was neither "Grade A" nor homogenized and no Vitamin D had been added. Brass and iron kettles, pendants, spiders, trivets, portable ovens, and other seldom seen equipment told of the days when cooking was done at the fireplace hearth.

when there were no beauticians, hair dressers, nor beauty parlors. A rack of walking canes suggested the time when no man was thought well dressed without a cane and spats.

More than 200 shaving mugs were on shelves and tables with their one time owners' names and trade boldly lettered on their sides. Rows of these mugs once adorned the shelves of barber shops and indicated the number of regular patrons the shop boasted. No such racks of mugs now identify those patrons who once came daily for their ten-cent shaves.

Flat irons, wash boards, wooden tubs, and boiling kettles told how home laundry once was done. There were collections of bottles, Gibson Girl plates, milk glass, coin glass, and other glass that rang like a bell when tapped. Figures and figurines, ornamental clocks, massive picture frames, charm jugs, candleabra, ornamental paper weights and unnumbered other items suggest that there was some elegant living.

Gathered over a period of more than thirty years, all of these items and hundreds of others are in the collection of the late Mrs. Elizabeth Doty. A leisurely wandering thru the collection gives glimpses of an-

other way of life and makes us wish we were a millionaire. We'd buy the entire collection and admire it until we grew tired. It tells a thousand stories.

CHRISTIAN SCIENCE CHURCHES

The healing and saving power of faith, when it is advanced to spiritual understanding, will be brought out at Christian Science services Sunday, March 16.

Scriptural readings in the Lesson-Sermon on "Substance" will include the following from James (2:14): "What doth it profit, my brethren, though a man say he hath faith, and have not works?"

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (323:13-18): "In order to apprehend more, we must put into practice what we already know. We must recollect that Truth is demonstrable when understood, and that good is not understood until demonstrated. If 'faithful over a few things', we shall be made rulers over many; but the one unused talent decays and is lost."

In 10 hours of instruction anyone can now learn Red Cross first aid methods, basic information everyone should know to protect himself and his family.

An important Red Cross service is assistance in securing government benefits.

Church Group Meets

The ladies missionary group of the New Lenox Bible church met March 6; with Mrs. Joseph Moore, president, opening the meeting with group singing and prayer. It was voted to name this group, "Seekers."

Guest speaker was Mrs. Fred Steinmann of Lockport who talked of the mercies of God.

Mrs. Ivan Darnell and Mrs. Joseph Moore served dessert coffee.

Members of the Womans League of Trinity Lutheran church will conduct a mission meeting March 25 at 1:30 in the church. Hostesses will be Mrs. Alice Termunde, Mrs. Audrey Braun, and Mrs. Gladys Dusek. Plans will be made for the annual spring luncheon, and for the annual fashion show, to be held this year with afternoon and evening showings.

Mrs. Madelyn Miller will entertain the members of the New Lenox Womans club in her home, 110 W. Haven ave., Wednesday afternoon, March 19, instead of Tuesday March 18, as previously scheduled. Mrs. Anna Parsons will assist.

Mr. and Mrs. Roy Dowle and family entertained in their home last Wednesday night, at a dinner for his parents, Mr. and Mrs. George Dowle of Chicago, to celebrate Mr. Dowle's birthday.

Mr. and Mrs. Harry Hodges, Jr. are the parents of a son, Rusty Lee, born Feb. 26 in Silver Cross hospital. He weighed eight pounds. Mrs. Hodges is the former Judy Novak, daughter of Mr. and Mrs. Joseph Novak, and the paternal grandparents are Mr. and Mrs. Harry Hodges, Sr. Mrs. Hodges and infant son were welcomed home by their other small son, Randy Joe.

Mr. and Mrs. Len Anderson and family spent the week end in Saugatuck, Mich., with her parents, Mr. and Mrs. A. W. Walsh.

Mr. and Mrs. J. Daniel Cruise are parents of a 6 pound 3½ ounce son born March 8 in the Englewood hospital in Chicago. He has been named John Harold.

Birthday Party

Mrs. Harvey Frick was the honored guest Sunday at a five o'clock buffet supper when her daughters, Mrs. Evans Drotts and Mrs. Ronald Crisman, entertained at the surprise party, in celebration of her birthday anniversary. The supper party was held in the Drotts home on Ash st.

Guests were Mr. and Mrs. Geo. Carlson and sons Reed and Randy, of Rockford; Mrs. Anna Crisman, Oak Park, Mr. and Mrs. Joseph Ingram, and Mr. and Mrs. William Collatz and Miss Merry Lee Collatz, Mr. and Mrs. Frick, and Mr. and Mrs. Crisman and children Jeffrey and Candy.

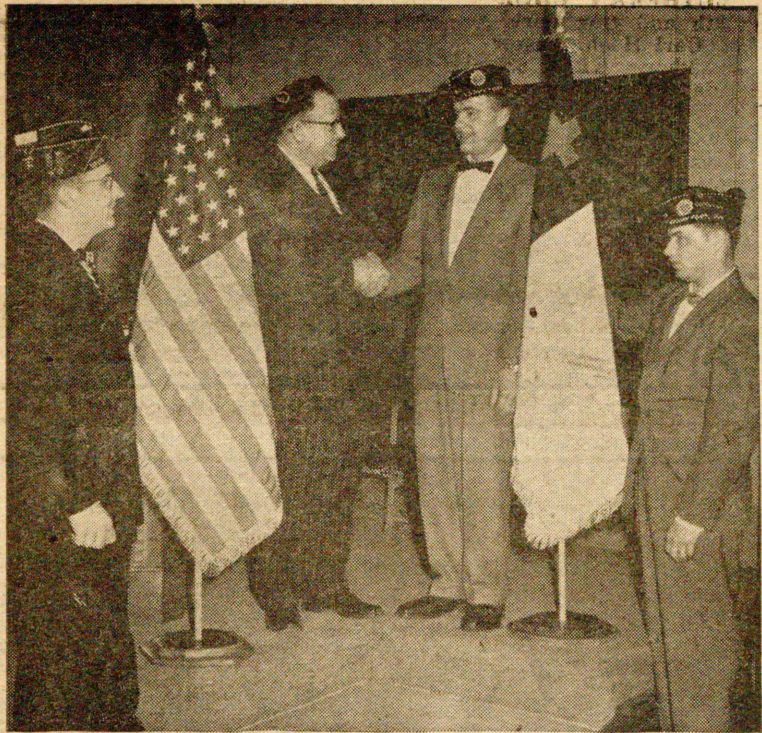

Mr. and Mrs. Evans Drotts had as their guests over the weekend, his sister, Mr. and Mrs. George Carlson and sons Reed and Randy of Rockford, who were enroute to Florida.

Members of the Womans Guild of the Grace Episcopal church will meet Thursday night March 13 at 8 o'clock in the home of Mrs. Marie Penn, Haven ave. She will be assisted by Mrs. Katherine Dixon, and Mrs. William Heptig.

Members of the Band Boosters of the Haven grade school will meet Tuesday night, March 18, at the school at 8 p.m. for their March meeting.

Mrs. Audrey Braun will open her home Friday, March 14 to the monthly meeting of the VFW Auxiliary, post 9545, at 8 pm.

The USS Essex rounded the Cape of Good Hope March 28, 1800, becoming the first U. S. warship ever to do so.

PRESENT FLAGS TO CHURCH—Frankfort post of the American Legion has a project going that when completed will see that each of the churches in the community have a new set of Colors. Such a set was presented to the new Methodist church on the occasion of its dedication. Last Sunday the post made a similar presentation to the Calvary Baptist church at Lincoln Estates. Pictured here at the ceremony (l to r) Kenneth Oetter, the Rev. S. E. Waldemar, pastor of the Baptist congregation, Daniel Hecht, Legion commander, and Lloyd Matthews. The post has three more such ceremonies planned—at St. Anthony's church, St. Peter's church and the Good Shepherd Lutheran church. (Robert Porter photo)

LINCOLN ESTATES

Mrs. Emil Wille
Frankfort 3161

Mr. and Mrs. Harvey Arnold attended the Kankakee sanctioned dog show, sponsored by the Kankakee Kennel club. They had three entries in the show. They were "All", male German Shepherd, 2nd place in the open class, "Maida Manor Bewitch" took 1st prize in the American bred class, "Maida Manor Brandy" won 1st in open class, best of breed and 2nd in working group. Mr. and Mrs. Arnold own the Maida Manor kennels. On March 16 there will be a show at Champaign. This is also a sanctioned dog show held in the Pontiac garage at Champaign.

Mr. and Mrs. James ValChant and daughter, Nancy Jane of Chicago spent Saturday with Mr. and Mrs. Paul Riechel.

Mr. and Mrs. A. L. Zum Malen took daughter Kathleen Anne and four of her girl friends to Valley View farm for dinner last Wednesday. The dinner was to celebrate Kathleen's 16th birthday. Those helping her celebrate were Barbara Machtemes and Jeannie Lientz of Lincoln Estates, Mickey Selnick of Mokena and Carol Fiegel of Tinley Park.

A junior at Lincoln-Way, Kathleen was elected to the National Honor society last week.

The Auxiliary police had a special meeting Wednesday evening, March 5. Gilbert Knater, candidate for sheriff of Will county, was the speaker. Also present were Herbert Lambrecht of Frankfort, and Lee Pritchard

of Joliet. The regular meeting was held Sunday, March 9. The next meeting will be March 23.

Mr. and Mrs. Jack Newton of Frankfort were dinner guests in the home of Mr. and Mrs. Dwight Nicholson and family Sunday. Mr. Newton was celebrating his birthday.

Mr. and Mrs. Dean Beckman and children, Leonard and Becky, spent Sunday in Mokena with the former's sister, Mrs. Lynn Poague and her husband.

Mr. and Mrs. Robert Wheeler attended the basketball game at Northwestern on Saturday. They had dinner with their son Dennis after the game.

Mr. and Mrs. Robert Wheeler Janey and Linda took Mr. Wheeler's aunt, Miss Ethel Wheeler to dinner in Chicago Sunday to help celebrate her birthday.

Mrs. Dorothy Ball, co-chairman of the Heart Fund drive for this locality, would like to thank those who made the collections. Those who collected in Lincoln Estates were, Mrs. J. C. Vaughn, Mrs. Adriana Albrecht Mrs. James Hatz, Mrs. Isabelle Paska, Mrs. John Tyler, Mrs. John Van Donk, Mrs. Robert Wheeler and Mrs. Larry Harris. Elaine Urbano, 8 year old

LITTLE BILL says:

6¢ a load
is all you pay—
to dry the clean
electric way

An electric dryer does all this for just 6¢: 3 big bath towels, 6 hand towels, 2 sheets, 2 pairs shorts, 2 T-

shirts, 5 pairs of socks, 3 pillowcases, 2 men's shirts. This average 8-lb. load will take only 25 to 30 minutes.

Nothing's faster, nothing's cleaner—
and electric dryers are completely automatic

COST?

ELECTRIC DRYERS

cost
\$30 to \$60 less
to buy
than any other kind

Just 6¢ to dry an 8-lb. load of clothes the electric way. And the electric way is the completely automatic way. No igniting devices to get out of order.

Clothes dried in an electric dryer have the good fresh smell of all outdoors, too. Electric heat is radiant heat... like the sun. Clean and dry... with no combustion odors to mix with the clothes.

Electric dryers are fast. You can dry a whole load of cottons in just 25 to 30 minutes. And all the "no-vent" dryers are electric. Your laundry stays clean, dry and comfortable, makes venting unnecessary.

You'll be amazed when your electric appliance dealer tells you how little it costs to own an electric dryer. Why not be about it soon?

See your electric appliance dealer

NEW POLICE CHIEF at Frankfort. Mayor George Sangmeister is shown here pinning the star on Frankfort's new chief of police, Francis Simon, formerly a lieutenant on the Blue Island department and more recently a member of the Cook county police force stationed at Homewood. The chief and his family have moved to Frankfort. (Robert Porter photo)

Business and Finance

By MAURICE P. ANGLAND

In a dynamic capitalistic economy such as that in this country, the economy is constantly under the influence of conflicting forces. For the past several months, the unfavorable

factors have outweighed the favorable factors. Most commentators express belief that the chief depressing factor has been the down turn in business spending. Estimates of 1958 in spending on new plants and equipment vary from 8 per cent to 15 per cent. If 12 per cent is taken as the most reasonable figure, the decline would amount to something over \$4 billion.

Prior to the turn down in outlays for expansion of plant facilities, the volume proposed in plant expansion was such that basic commodities such as steel of the types and grades used in building new plants, were in short supply and competitive bidding for these items was adding to the inflationary pressures. Steel producers must anticipate their demands with expansion of plant considerably ahead of actual demand or lose their positions in the industry. The country now has a consid-

erably larger steel capacity than it had a year or two ago.

Inflationary pressures forced the Federal Reserve to take steps to hold the expansion down before its force got out of hand entirely. The results of uncontrolled inflationary pressures can create problems far heavier than those brought about by early credit restraint to avoid inflationary excesses.

It should be noted at this time that steel inventories in the hands of dealers and fabricators, have been going down at a rather rapid rate and an increase in new orders is expected by steel mills. Liquidation of inventories generally is said to be at the rate of \$3 billion annually. It follows that inventories will be worked down to the point where ordering is mandatory. This, of course, refers to basic commodities generally.

A big expansive force now at work is spending by the national, state and local governments—expected to total about \$4 billion this year. The sharp stepup in defense orders will begin to aid production and employment long before such

goods reach the payment stage. It is interesting to note that steel scrap prices have been strengthening for several weeks altho the trade attributes this to dealer buying, but mill buying is expected soon.

A new high in construction is expected for 1958 altho the best gains are expected in public works rather than housing.

Plumbing and heating companies may do better this year, but the capacity for manufacturing plumbing fixtures, valves, and fittings is ample and the competition is severe.

Stable earnings and dividends will most often be found in consumer goods as foods, grocery chains, tobaccos, public utilities, etc. The wider swings in earnings and dividends are found in the durable goods as railway equipment, machinery, steel, automobiles etc. Purchases of such products can be deferred in lean periods. However at the bottom of a cycle, these durable goods producers have the largest recovery powers. Such stocks must be selected with greater care than the less volatile consumer goods group.

The John P. Holland torpedo boat company on March 13, 1895, received the first contract in U. S. history to build a submarine for the Navy. The sum of \$150,000 was granted for the construction of a submarine 85 feet long with an 11 foot beam.

"SUCH REDUCTIONS OVER DEDUCTIONS!"

Nearly income tax time again! If you've paid by check you have your major deductions right in the book and your cancelled checks are proof of what you paid. But if you or your wife have been paying bills with cash, unless you've been a demon book-keeper all year long, you're stumped. We suggest that you open a joint or individual checking account at our bank. You'll like banking here where you can bank on us for ALL your banking needs.

Wantads Pay Dividends

Rugged winter driving conditions usually take a terrific toll on cars . . . often leave them sorely in need of a "spring pick-me-up." Is this the case with your car? There's one sure way to find out! Let us give it our thorough bumper-to-bumper inspection . . . check it point by point for trouble spots . . . adjust it and tune it for peak performance this spring.
